Select Your Breakout Sessions

Global Leadership Training – Learn recommendations for inviting new members, building new clubs, assessing the needs of your community, revitalizing existing clubs, improving public relations and creating a Web site and much more.

Global Membership Training – Learn new ideas, tools and resources you can use to develop new leaders in your club, promote and support membership growth and service. Help members become involved, create a purpose for their Lion experience and improve club success.

Guiding Lion Training – Take the course to become a guiding lion. Become a mentor and facilitator for a new club. Guide the new club through its first 2 years of operation, orient and train new club officers. motivate and support the new club growth.

So you want to be a President – Learn the responsibilities and important role of Club President. Gain knowledge of the training process going through 3rd, 2nd and 1st Vice President positions.

Treasurer Training – Learn the important responsibilities, your role in the club, reports and accounting requirements.

Leos Club Training – Learn the value of Leos to your club, how to form a new Leo's club and how to build the relationship between the two.

Club Excellence Process – Create a blueprint of the direction your club wants to grow, attract members, impact your community. Participating clubs will examine their community's needs, analyze their membership experience, use resources and develop action plans.

Technology Training – Learn to navigate the District, Multiple District and International websites. How to locate and use a wealth of information/resources that will educate, improve community awareness and enhance your club's impact/contribution.

Club Service Projects – Assess the programs and services you provide your community. Decide which programs are important to the people in your area and if current projects are still needed by the community.

Conflict Resolution Training – Look at the causes of conflicts and at a variety of strategies that can be used to resolve conflicts. Learn management styles, look at a collaborative approach and be introduced to a seven step process for resolving conflict where everyone comes out a winner at the end.

Public Speaking – Easy steps for you to improve speaking in front of small and large groups. Learn how to prepare for a speech and sharpen your speaking skills.

How to be a Leading Lion – Increase your leadership and management skills. Great tools and knowledge that will be valuable as you move up the chairs and completely skill sets that are adaptable to any business.

Your Convention Your Voice – Learn the agenda of our April Convention and voice your opinion on what you like and don't like. Make suggestions for the committee to review and possibly add or change the existing agenda.

Attracting New Lions – Learn easy methods to attract new members, build relationships and make a positive impact on your community.

Lion Orientation – History of Lions, Your Clubs traditions, officers, elections, awards, meetings, fund raising, membership, budget, communication, dues. The organization and history of your District, Multiple District, Lions Clubs International.

Lions 101 – Now that you have received Orientation and have joined a Lions club, what's next? Learn more about Lions and being an effective Lion.

Lions Clubs International Foundation - Learn the history, where the money goes, the impact on our world and your role as a Lion./ **Lions Project Canine Companions for Independence** – Learn about the training specially-bred dogs to help people with disabilities other than blindness.
