## CLUB OFFICERS TOWN HALL MEETINGS

Monthly Town Hall Zoom Meetings are scheduled as follows:

Third Monday of each month at 6PM for all Club Officers, Board, members, and interested Lions

September 16, 2024 is the first meeting

Each month will have a 10–15-minute topic and the remainder will be focused on questions, challenges, and successes you want to share

The Zoom link is on the 4-A1 Google Calendar (<https://lions4-a1.org/whats-happening/calendar/>).

As officers and Lions, you get to direct these Zoom meetings to meet your needs. If we don't have the time or information to address items brought up, the team will follow up with you individually or in a meeting of interested parties.

With the Lion Portal, growing membership, building leadership and service, there are multiple challenges. We will be more successful if we work together.

The Global Leadership, Global Service, Global Membership, and Global Extension Coordinators are here to support and assist you in reaching your Club's goals.

The Town Hall Meetings are a vehicle for communication to better meet your Clubs' and Lions' needs.

**LCIF****Lions Clubs International  
FOUNDATION**

District 4-A1 had a banner year raising funds for LCIF. This is partly due to the Atwater Winton Lions being the first club in 4-A1 to be a 100% Melvin Jones Club. Total raised in funds was \$66,541.

I want to give a shout out to the following clubs who made donations or members made donations to LCIF. They are Arnold, Atwater Winton, Clements Lockeford, Escalon, Hughson, Jackson, Linden, Livingston, Lodi, Madera Evening, Merced Breakfast, Merced Golden, Modesto 500, Oakdale, North Fork, Patterson, Sonora, Stockton Delta Pacifica, Stockton Host, STOCKTON San Joaquin, Tracy Breakfast, and Tracy Tank Town.

I would encourage clubs to donate \$50 by either the club or members of the club. If every club would make this donation, then the district could be a 100% District. If every member made a donation of \$50 or more, then the club would receive a 100% club award.

Since LCIF's inception, they have given out over \$1.3 billion in grants worldwide. This past year, they gave out 1580 grants totaling \$46.4 million. California was #1 in the United States by raising over \$12 million in funds.

District 4-A1 has received over \$655,000 since the first grant was received in 1992. California has received \$7.8 million in grants. Your money does come back to your communities. Currently, the District 4-A1 is eligible to receive up to \$15,000 in community service grants. These funds are available for projects in the eight service areas that Lions Clubs supports. These are Childhood Cancer, Vision, Youth, Humanitarian Efforts, Hunger, Diabetes, Disaster Relief, and Environment.

Please contact PDG Kent Christensen at [kbclion@gmail.com](mailto:kbclion@gmail.com) if you have any questions regarding these grants or need help donating to LCIF. Remember this is your foundation and 100% of the funds you donate go to help people in need.

**CALIFORNIA LIONS CAMP**

California Lions Camp donated \$3200 to McFall School /San Joaquin County Education Foundation to fund social skills/sensory motor equipment for preschoolers with special needs. Equipment will be used on the playground to include trikes, bean bag toss game, soccer goals, playhouse, sand and water bench, basketball hoop, and more.

Board members PDG Russ Custer, PDG Steve Granlees, PDG Norm Clark, Lion Debbi Hopman, Lion Bob Abraham, and Lion Jill Loving presented the check to Shelly Garrett, Director of McFall School.

Additionally, staff and students at the McFall School gathered around the outdoor play structure with Board Members PDG Russ Custer, PDG Steve Granlees, PDG Norm Clark, Lion Debbi Hopman, Lion Bob Abraham, Lion Jill Loving, PDG Dave Mc Cullough, Lion Laura Mc Cullough, and Joe Vallery to present the check.

Earlier in the month, PDG Norm Clark presented \$3,000 to Project R.I.D.E. to provide student scholarships for equine therapy to students with special needs residing within District 4-A1.

## INITIATIVE CHALLENGE FOR A CAYUCOS VACATION

As your District Governor last year, I was impressed with the efforts put forward by the Clubs to report a service activity for all eight service initiatives. Unfortunately, none of the 4-A1 Clubs reported service activities in all eight initiatives. So, there won't be a drawing for the weeks' vacation in Cayucos, CA.

Jackson and Madera Evening Lions Clubs were tied with reporting in seven of the eight initiatives. Up Country 88 reported in six initiatives. Great job!

Let's try again this Lion's Year - 2024-2025.

1. All Clubs are challenged to report in the Lion Portal one project in each of the eight initiatives.
2. Each Club that reports at least one service activity in each initiative will receive a chance to win a week's vacation for raffle or auction of my vacation home in Cayucos.

Wishing you success in this challenge!

~ PPC Claudia Miller

## 4-A1 VISION NEWS

The STOCKTON San Joaquin Lions Club is still seeking volunteer eye doctors to help at its Vision Fair on Saturday, **October 5**, 10 AM-2 PM at the Dorothy L. Jones Family Resource Center in Stockton, where we will be checking blood pressure, blood sugar, and vision. We'll be matching those in need with eyeglasses at no charge. Thank you, to Lodi Lion

Devinder Grewal, O.D., for volunteering. We would love to have three doctors there that day to help as many people as possible! Please reach out if you know someone who can volunteer. The Vision Fair is part of a larger Multicultural Health & Resource Fair where Lions can host booths, if interested. [FLIER](#) - [REGISTRATION FORM](#) – [VENDOR INFO](#)

White Cane Awareness Day is October 15. [FLIER](#) - Will you join the celebration? To many, the image of a curved handled white cane has become the symbol of a plea for support of a disabled community in need. It's a symbol used by Lions Clubs and others to raise money for important services to prevent blindness or assist people who are blind. It was named "White Cane Safety Day" by the US Congress in 1964, or "Blind Americans Equality Day" as it was designated by President Barack Obama in 2014. The meaning is best exemplified by the updated logo/label you can purchase from Lions International: A solid blue circle with a current-day straight white cane with a White Cane Day banner attached noting "Lions Support" above the banner, and the words "Independence, Mobility, Safety," below the banner.

Whether a blind person uses a white cane or a guide dog to improve their access to and independence in the world, White Cane Day is a celebration of the abilities and achievements of the blind and a commitment to inclusion, accessibility, and safety - locally and internationally. As we approach that day, I encourage all Lions Clubs to join in the celebration to increase awareness of the meaning and importance of the white cane among our Lions Clubs and within our communities!

Mobilize your club to partner with local blindness experts, schools, and organizations for the blind to plan your International White Cane Awareness Day activity. Here are some suggestions from Lions International:

<https://www.lionsclubs.org/en/resources-for-members/resource-center/white-cane-safety-day>

The webpage also includes links to resources on obtaining a free white cane from National Federation of the Blind, what to do when you meet someone who is blind, including someone with a guide dog, history of the white cane and white cane laws, and information on more ideas and assistance in planning your activities for your club or your community. Don't hesitate to contact me if you need help or ideas.

The STOCKTON San Joaquin Lions Club will take part in the 6th Annual White Cane Awareness Walk & Celebration on October 12. They invite you to come walk with the blind and support a Mountain Mike's Pizza fundraiser for The National Federation of the Blind in Stockton! Walk will start following a brief ceremony at noon, and end by 1 PM at Mountain Mike's, 1000 W. Robinhood Dr., Stockton. Flier will be coming soon!

## BAGS FOR BENCHES PROGRAM

District Governor Eric has decided that the district bench earned during "Bags for Benches, Round 7" will be part of a Helen Keller dedication in June 2025 to commemorate the 100th anniversary of Helen Keller asking the Lions to become Knights of the Blind! We will keep you posted on the details for that ceremony and hope you can be there!

"Bags for Benches, Round 8" kicks off September 1 and runs until June 30, 2025. The STOCKTON San Joaquin Lions Club is collecting for a bench to be placed at Oak Park Senior Center in Stockton. Any club who would like to contribute 10 or more pounds to STOCKTON San Joaquin Lions' project will be listed as a Plastic Partner for recognition on our social media and at our bench dedication ceremony. Any excess plastic our club collects this round will be donated to our Tokay High School Leo Club's project for a bench they will place in Lodi.

Please keep me posted if your club is participating in "Bags for Benches" or if you're signing on as a Plastic Partner to STOCKTON San Joaquin Lions Club. Let me know of any struggles you are having as we try to improve the project experience for our clubs with the few stores on the list of Trex partners who are sometimes not understanding the program and accommodating us. Any club participating individually or supporting the program of another club with donations will receive the District's recognition as long as you make me aware of your efforts between now and June 30, 2025. Our club, our communities and our planet thank you! [ROUND 8 FLIER](#)

## Message from DG ERIC CHEUNG

I just got back from [District 4-L3's](#) Installation (west side of Los Angeles) with District Governor Jennifer Cho and Installing Officer PIP Douglas Alexander. It was a very nice venue and they had great entertainment. I had a chance to chat with our PIP, who likes to travel. He will have a couple of days to spend some time with his grandson, which includes watching the Ringling Brothers Circus.

### MISSION 1.5

Welcome Lion Rosie, a new member in [Tracy Tank Town Lions Club](#). It was my honor to induct her into the Lions International. Another new member, Lion Tai'Rance, should have been inducted by the time you read this. Welcome. It's great to see Lions bringing guests to the meetings. Los Banos Lions are working on their 80th Charter Anniversary Dinner. Member

Orientation is available for our new members. [See the dates in the Calendar section of each newsletter.] You can bring the new members to your club's projects. Ask them about their passions and the projects they want to bring to your club. Happy and fulfilled club members won't leave. Invite people to your service projects (service), plant the seed and recruit them (membership), train them (leadership) to do more projects (service), and repeat the cycle. Of course, don't forget to market and show your efforts to the public, so more people will know what Lions do - and want to join us.

### WAY TO GO WEST POINT!

[West Point Lions](#) are working on winter emergency supplies, a county-wide food drive and teaming up with local organizations to raise funds to build a local park. Their event has a creative game to drop golf balls on a slope. The ball that crosses the finish line first will win the prizes.

### BACK-TO-SCHOOL GRANT

[California Lions Foundation](#) (CLF) has the [Back-To-School Grant program](#). [See article in this newsletter.] Four clubs in our district will get \$500 to provide a hands-on project to the students or the schools. They also have lower-limit matching grants and emergency grants. Please check with Lion Todd Riebe for details and donate to CLF.

NOTE: We also get grants from them to help our clubs and communities.

"Where there is a need, there is a Lion." The district would like to know if Back-To-School is a worthwhile topic. The district could team up with different clubs to apply for CLF and LCIF matching grants for all our Back-To-School Projects. The \$2500 would match with CLF's \$2500 to generate \$5000 - and it could be matched with LCIF's \$5000. It could be tougher for a single club; but by teaming up, the district and the clubs could work together to bring more help to our communities.

Please bring your ideas to my attention. The district is here to serve your club.

### MEMBERSHIP DEVELOPMENT GRANT

Talking about grants. Our district submitted a [Membership Development Grant](#) request to Lions International. Our cabinet also approved \$6000 for the Global Action Team operation, including training for our district and club officers, membership development, and new clubs' development and service reporting.

### COUNCIL OF GOVERNOR (COG) MEETINGS

This year, the Council had Zoom meetings with different committees multiple times before the in-person meeting. We can now cut down a day for the Council of Governor's meeting in August (thus saving the Multiple District \$30,000). In October, we will have another virtual COG which saves another \$30,000, plus travel costs.

**STRIKE TEAM OR CAT OR CLUB ASSISTING TEAM** can serve our district by training officers and Certified Guiding Lions. **THANK YOU, LION LOU AND NAOMI FROM TRACY TANK TOWN**, for letting me borrowing the Leprechaun costume.

Many people gave complements on the costume.

### **STUDENT SPEAKERS CONTEST (SSC)**

Topic: "Artificial Intelligence: Friend or Foe?" Please keep in mind there is also the Student Speakers Foundation (SSF).

Link: <https://studentspeakersfoundation.org/>

Each year, the SSF sets aside \$4500 to be awarded to our District Student Speakers Contest winner. Along with the Area and State winners, the number is \$7000 each year which is in our district's fundraising goal each year. Unfortunately, our district effort is near the bottom of the list, as ranked among other districts. So, I am going to challenge each club to donate \$200 to obtain a [Harry J. Aslan Fellow](#). Then your club could give the nice plaque to anyone - such as your club's Student Speakers Contest Chairperson. 100% of your and your club's donation goes to scholarships. SSF is a 501(c)3 organization.

One more point, part of our dues goes to the Student Speakers Contest that deals with the operation side of the contest. That pays for payroll for our part-time employee(s) to print and organize club packets and postage to clubs. None of our dues go into scholarship. (If the council has funds left over in a year, it is possible the Council could choose the charity to donate to via discretionary fund.)

### **AREA LEADER 1B GLOBAL ACTION TEAM ZOOM**

It's the "Year of the GAT." From the Lions International, to our Multiple District, to our 4-A1 District, the GATeam (GET, GLT, GMT, GST or extension for new clubs, leadership, membership, service teams) are working together, ever closer than before. We will update District Goals (not DG goals) and our action plan every two weeks. Please consider having your club's Vice President entered on the [Lion Portal](#) as GLT or Global Leadership Team Club Coordinator - and recruit a Membership Chair and Service Chair. Information will be shared and their feedback will be heard. We will strategize with options to enhance our service. Just bringing information back to your club will be beneficial.

### **GMTeam AND GETeam**

I'm the Governor member of MD4's Global Membership Team and Global Extension Team (for starting new clubs). Thanks to our officers who have joined it. The Zoom calls are open to club members as well. Let me know if you are interested in attending.

### **DISTRICT 4-A1 CONVENTION – April 24-27, 2025**

Our Convention Zoom Meetings are fun. I am so glad Lions are having a great time organizing the event. Thanks to Lion Kirk for attending the meeting. Let Lion Rosie Campbell, Chair, knows if you want to join on Zoom and help plan. The convention committee is committed to keep the cost down to encourage more members and guests. We are looking for clubs to cook the different meals. The District Student Speakers Contest will be held at this convention.

See you at District Meeting on August 31st at the Linden Lions Clubhouse.

### MURPHYS-ANGELS LIONS

July 25th - We had a nice dinner meeting to close out the month of July. Like always, our cooks didn't disappoint serving Italian pasta, corn, salad and garlic bread.

First Vice District Governor Matt Stickler and District Cabinet Secretary Maggie Stickler gave a short presentation on district support for clubs and training that is available to club board members.

Jolene Rinauro was recognized for signing up new members to our club. Pictured is President Kent presenting Jolene with her Membership Key Award pin. Great job – Jolene - keep them coming...

Our club was busy working concerts at Ironstone Winery. So far, in July was Cake and Brad Paisley. August 9th was Michael Franti. August 21st was Robert Plant and Allison Krause. On August 29th, we'll be working at Switchfoot. September 13th is Dokken and on October 4th, Slightly Stoopid finishes out the concert series. If you signed up to work and can't make it, be sure to notify Lion Steve Volk by text or email so he can adjust his volunteer list.

Lion Henry working his first concert and was given the wrong apron for the first half of his shift. But he corrected it to show support for our club. Good Job Henry...You are now a seasoned concert volunteer.

Left photo: Taking a break at the concert and enjoying a treat were Phil and Laura Tornquist.

Right photo: All smiles and mastering the new wine openers our club purchased, was Lion Marisol Rodriguez.

### MODESTO 500 LIONS

Crab Feed tickets are available for our upcoming crab feed on September 28. [FLIER](#)

Have you bought your tickets yet? We're holding a second crab feed this year to change to a "fall" schedule instead of an end-of-the-year schedule. Yes, it will be challenging to hold two crab feeds in one year, but with your help (buying tickets/tables, donating raffle items/ desserts), we'll make this a success. For tickets or more information, contact PP Robin Brown, [rkrobin59@gmail.com](mailto:rkrobin59@gmail.com). Join us for a crabby time!

75th Anniversary: Mark your calendar for **May 17** as the Modesto 500 Lions celebrate 75 wonderful years as a club! We'll be holding the event at the Modesto Center Plaza in Modesto. Look for a flier with more details in the future!

Convoy of Hope-Service Project: The Salvation Army's Red Shield Convoy for Hope project on July 27 served over 2,000 families with much needed back-to-school items, as well as access to community services, food, gardening supplies, and women's breast health. Oakdale Lion PDG Don Allen and Modesto 500 PP Robin performed vision screening for children. (PP Robin failed to take photos!) 177 children were screened and many had potential vision issues and were provided printouts to take with them to follow up with their doctor for additional care. It was a good day!

Right photo: Past President Jerry Cooper received a certificate from President Dennis Miner for his 30 years as a Lion! Yay, PP Jerry!

Modesto 500 will once again have a team at the Walk to End Alzheimer's event Saturday, **September 14**, at Graceada Park in Modesto. If you would like to join our team or make a donation either to the club or a team member, go to:

**MERCED GOLDEN LIONS**

Merced Golden Lions are back in the community following a break for the month of July. We did vision screenings for the COVE Vision Fair at the Merced Senior Center on August 22, and are gearing up for our Tri-Tip To Go fundraiser on September 7. [FLIER](#) ~ Jean Weaver

**TURLOCK LIONS**

Pictured is Immediate Past President Lion King Bud presented current Lion President King Ryan with the Club Appreciation Award.

**PATTERSON LIONS**

The Patterson Lions started August off donating and cooking hamburgers, hotdogs, and buns for Patterson's National Night Out at North Park. This year was bigger than the last, and will continue to grow. We were just a small part of the celebration, but we were one of the favorites. The town always loves our hamburgers and hotdogs. Thank you. Lion Richard, for coordinating this for us and the community.

The next evening, some Lions and their families spent an evening at John Thurman Field cheering the Modesto Nuts on to a win. We had a lot of fun and laughs enjoying the camaraderie. Thanks to Lion Edgar for arranging this for us!

On August 6, Lions Rodrigo Acosta Sr. and Marta Acosta helped barbeque hotdogs for a National Night Out Celebration at Williams Brotherhood Park in Stockton.
