Hi Lions Clubs,

On the next page are the PDFs of all the forms needed to put on your Student Speakers Contest. You can print with a color printer [on cardstock if you can] for the certificates, otherwise everything else can be in black, and all can be printed on white regular paper. If you do not have access to a printer, please let me know - and I will be able to print them and get them to you. I have always sent the person in charge of the students at the school the PDF brochure that has all the rules, etc..

**Multiple District Four California Lions
 Student speakers contest
 2024/25 topic "Artificial Intelligence; friend or foe?"**

Fellow Lions of California.

Unfortunately, we had a misprint happen with this year's Student Speaker's packet. We have two items in your packets that have errors.

One is the judge's form. This has the incorrect topic and year listed. Simply cross it off and write in the correct topic and year.

The second is the certificate. There is a word misspelled. The correct certificate is posted on the MD4 website at <https://md4lions.org/studentspeakers>. We also attached the certificate here for your use as well.

On behalf of the Leadership Team, we offer our apologies for these inconveniences.

We thank you for your commitment to our amazing youths of California and wish good luck to all your student contestants.

Again, our sincerest apologies for this inconvenience.

HAPPY THANKSGIVING TO EVERYONE.

PARKER'S PROM – Feb 15th

October 18, 2024

Dear District 4-A1 Lions Clubs,

On behalf of Candle Lighters, we would like to ask you for your assistance in sponsoring District 4-A1's District Project Parker's Pediatric Oncology Prom. The prom has been named "Parker's Prom" after Parker Bockhop, who passed away from cancer in July 2007 at the age of 6½.

Most children who have been diagnosed with cancer are unable to go to their prom because their immune systems are compromised. They cannot be around other children and take a chance of getting sicker. Some are unable to go to their prom because they are hospitalized, and others are just embarrassed to have to go to the prom bald. The other sad fact is that some cancer-stricken children just do not live long enough to make it to their prom.

All kids in the Central Valley who are battling cancer have been invited to attend the 18th Annual [Parker's Oncology Prom](#) on February 15th, 2025. It will take place at S.F.A. Portuguese Hall of Chowchilla, 800 S 3rd St, Chowchilla, CA 93610. Children between the ages of two through 19 will be allowed to attend. We plan to have food catered because many of these children have special diets and food restrictions.

We are beginning to plan for the Prom. We are asking for any financial assistance that you may be willing to give. Some of the children are unable to dance, so there are always other activities that put smiles on their faces. Because of this, we also need assistance in purchasing arts and crafts, and carnival prizes.

By helping and donating, you can make a difference for these children. We hope we can count on your support. Please make all donations out to Candle lighters with Parker's Prom in the Memo and mail to ATTN: Elisabete Bockhop, 616 Kings Ave., Chowchilla, CA 93610. For further information or to schedule a presentation please call Liz Bockhop at 559-474-0478. All donations of \$ 250.00 or more will receive a banner recognition badge.

With grateful appreciation,

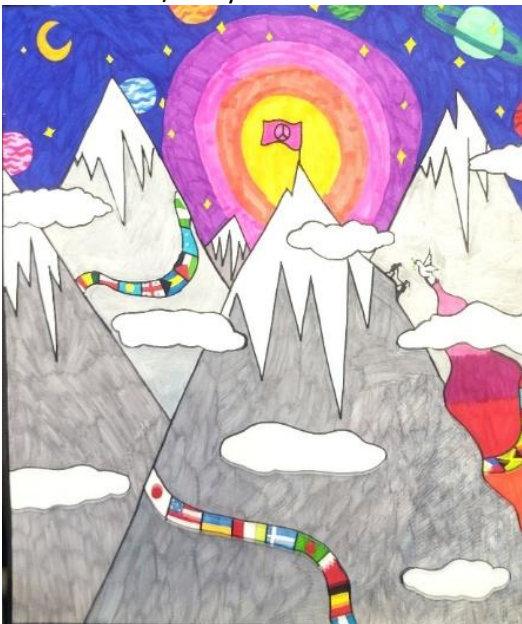

~ Elisabete Bockhop, Parker's Prom Chairperson

*NOTE: Club Secretaries should submit donation information on the Lion Portal. Put "CHILDHOOD CANCER" in the subject section.

UPDATE YOUR CLUB'S ROSTER

REMINDER from Lions International: As the end of the first semester approaches, note the importance of updating your rosters. By maintaining an accurate club roster, it ensures that each club is protecting its good standing and not being billed for members who are no longer active in their club. It is important to pay your dues billing when received by Lions International.

ASSET MAPPING

WHAT IS ASSET MAPPING AND HOW TO USE IT FOR CLUB GROWTH?

For Lions Clubs, asset mapping helps pinpoint local partners, volunteers, and service opportunities, which strengthens community ties. By identifying and leveraging these resources, clubs can:

Form Partnerships with local nonprofits, businesses, and schools for collaborative projects.

Engage Skilled Volunteers to boost capacity.

Identify Service Needs aligned with community strengths, ensuring relevant outreach.

This approach optimizes club growth, enhances local involvement, and promotes sustainable impact.

LIONS IN SIGHT OF CA/NV EYEGLOSS COLLECTION UPDATES

<https://www.lionsinsight.net/>

Lions in Sight thanks all of you for your support and your continued collection of eyeglasses. Our goal is to aid many people and eliminate eyeglasses going into landfill. Glasses should go into apple boxes, which are available at your grocery stores. Simply, contact the produce department and ask them to save the boxes.

We collect ALL glasses which include non-prescription sunglasses, scratched, and broken glasses.

Lions in Sight recycles the items that are not usable to assist with payment of rent, utilities and insurance.

Items not to be sent to the warehouse are loose lenses and eyeglass cases.

We are no longer taking ink cartridges.

If you send us hearing aids, LIS will ship them to the [Ear of the Lion](#).

As with all organizations, we are looking for technicians (volunteers) and doctors to support our clinics' missions. We also are in the process of increasing our visibility in your district or club. Please consider becoming a member club or awarding a fellowship. Download our club membership and fellowship application [HERE](#).

Thank you for helping us bring the "World from Darkness to Light". If you have any questions, please contact me.

DISTRICT 4-A1 TRAINING & OPPORTUNITIES

On October 5th, a Club Officers Training was held at VIPS in Modesto. Eight clubs and 23 participants attended the workshop (from Linden, Patterson, Atwater, Madera Evening, Lathrop, Tracy Tank Town, Tracy Breakfast).

Each participant received a binder that provided them with copies of the e-books, Global Action Team job descriptions, service ideas, and much more.

They will be a great resource when trying to locate items on the Lions International website.

Additional Club Officer Team training is planned for January 4th – This training will be in-person in the San Joaquin Region & on January 11th in the Mountain Region.

Clubs may request training for their Club, Zone or Region. Contact Global Leadership Coordinator Claudia Miller at ckay613cayucos@gmail.com or 209-596-1219.

Member Orientation (Zoom) is offered on the 2nd Monday of the month from 6-7PM, except for November & December and June & July. The link to Zoom is on the [District Google Calendar](#). Each new member receives a welcome letter with information about the newsletter and various resources available to them as a new member.

Town Hall Meetings (Zoom) are held on the 3rd Monday of the month at 6-7PM. These meetings focus on assisting officers and Lions with Lion Portal challenges, general questions, finding resources, and training on areas identified by district members. On October 21st, we demonstrated the process on the Lion Portal to successfully enter and submit service and administration activities, how to access a Leo Club to enter information (only Club Secretary has access), and a few tricks to successfully complete member and service activities so the data transfers across platforms.

This is an opportunity to ask questions and resolve challenges. Short trainings of 10 to 15 minutes will also be provided throughout the year. This is an easy way to get answers and share with other Lions.

Rebuild Club Meeting (Zoom) are held monthly on the 4th Friday of the month. Any Lion or Club is welcome to join the meeting. The focus of these meetings is to assist Clubs who want to increase their membership and grow service. 4-A1 has six clubs with Official Rebuild Plans and four clubs with Unofficial Rebuild Plans. We assist clubs in identifying [S.M.A.R.T. goals](#) to increase membership and strategies to make that happen. We share successes and flops, learn from

each other, and work together to address challenges. If you are interested in joining the group, please contact GLT Claudia Miller at ckay613cayucos@gmail.com or 209-596-1219.

Do you want training on a specific topic?

Is your club struggling with a challenge?

The District Global Action Team is here to help. We don't tell you what to do. We provide information and brainstorm with you. You make the decision(s) as to what is best for your club. We can come to you.

Give us a call (GLT Claudia Miller – 209-596-1219).

#### January 2025

Lions International reminds us that Peace Poster packets go on sale January 15th. Let's all get a jump on getting our packets for 2025.

In January, Multiple District 4 requests we continue our efforts towards alleviating hunger.

#### February 2025

In February, clubs in Multiple District 4 can also focus on Childhood Cancer. February 15, 2025 is International Childhood Cancer Awareness Day.

At our January 18th District Meeting, we will be making Jared Boxes. Consider creating and donating Jared boxes from your club for International Childhood Cancer Awareness Day. Maybe plan a trip to read stories to cancer patients or perhaps donate a gas card to the oncology department at a children's hospital, for them to donate to a family who could use some help with gas for visits.

**SOCIAL MEDIA HELP WANTED!**

Our District 4-A1 Marketing Team is hoping there are a couple of Lions out there who can help!

- If you're interested in "social media", would you be able to help research making podcasts, being on LinkedIn, TikTok, and/or Pinterest for our district?
- Are you able to make Public Service Announcements for our District and interested clubs? We could provide the script. Do you know someone who could train Marketing Team Members on how to create and record a PSA for District events? And maybe they could train club representatives on how to create and record a PSA for their own events?

If you can help, please contact Lion Gail, District Marketing Chair at [gfcion@gmail.com](mailto:gfcion@gmail.com).**MARKETING with CANVA FOR CLUBS**

Canva is a great platform to make all sorts of marketing materials for the Lions Clubs in MD4, including flyers, banners, postcards, promotional items, social media posts and many more. There is a not-for-profit version of Canva that gives full capability to work as a team across the clubs in MD4. This would allow for the creation of customizable Lions marketing designs that could be shared across MD4.

For example, take an initiative like the Lions Cancer month in February. MD4 marketing creates a Canva flyer template for Childhood Cancer and then invite our MD4 District Marketing Leads, or a Club Marketing Lead to that team to modify it for their local projects.

The beauty of Canva is that the Canva for Teams version allows a faster start with many pre-made templates and art designs that are not available in the free version. While both the free and nonprofit versions allow for team collaboration, the nonprofit version provides more capabilities. MD4 Marketing [WEBSITE](#) has more information.

## Message from DISTRICT GOVERNOR ERIC CHEUNG

**MEMBERSHIP:** Thanks for the Lions and clubs that added new members. Our District has a Membership Development Grant that could help your club with doing Meet and Greet, brochures and business card printing, etc. to recruit new members.

October 26th Virtual **Council Of Governors' Meeting** (COG): It is amazing how the Multiple District Four could save \$30k a day by either shortening or putting our quarterly Council of Governors' meeting on Zoom. It is given that certain tasks will need in-person meetings, but the governors are using Zoom for other meetings.

**District 4-A1 Disaster Relief Inc. Board** was reestablished. It is a 501(c)(3) Foundation. Please allow me to use "Disaster Foundation" in the future. We have two director vacancies. We need Lions to step up. Feel free to contact me if you are interested. The next Zoom meeting will be on Monday, December 9th from 6:30-7:30pm. This Disaster Foundation will display the re-stocked Disaster Trailer (or at least show a list of supplies) at the January 18th District Meeting (see flier). And the Foundation will be fundraising for the match of the LCIF Disaster Preparedness Grant.

I attended and grilled some Philly cheese steak sandwiches at the Pomegranate Festival in Madera. The Cubs, Leos, Lions, and the district are working together. **(Madera Evening Lions Club)**

Then my club **(Atwater-Winton)** did the pancake breakfast for a high school reunion. And "thank you" to Lion Logan for the presentation. I presented two Melvin Jones Fellowships to Lions Kay and George McAtee.

I visited **Merced County Law Enforcement Lions Club** and the Leo/Explorers. The Explorers are partnering with the Lions Club for the insurance to keep the cost low. A full room of the best-behaved high school students attended the three-hour-long First Aid training. They are knowledgeable. Your local Explorers, or perhaps other organizations, can partner with Lions Club. Explorer Advisor/Lion/Officer Joe mentioned the five Explorers groups (Livingston, Winton, Merced, Los Banos, and Gustine) had a hard time doing fundraisers because of how spread-out they are. Let me know if your club can help. Thank you.

I also visited **Turlock Lions Club** on Veterans Day; and we recognized the Lions who are Veterans. I had to write a whole new speech for **Madera Evening** when I visited them to meet Lions, Omegas and Alpha Leos, Cubs, prospective members, and guests.

The **Chowchilla and Chowchilla Lioness Autumn Fest Dinner/Auction** was a success. Many clubs attended the dinner. They will be using the same hall for Parker's Prom on February 15th. Contact Liz Bockhop for donations or to help at the dance for children with cancer.

At the **Sweet Potato Dessert Contest/Zone Meeting** in Livingston, I left in a food coma! We discussed communication, membership, California Lions Foundation's grant opportunities, and the five Merced County Law Enforcement Explorers/Leo Clubs.

Thanks, **Madera Omega Leos**, for inviting me to the Fresno Wheeler friendly game. Fresno Wheeler is a youth wheelchair basketball team working with the Children's Hospital in Madera. Their team is composed of youths coming from Los Banos, Madera, Fresno, Sanger, and many other places. It was both a physical and a mental workout. Eventually, these youth athletes can join the adult's team. Both the Omegas and the Wheelers did their best. I was substituted in for one of four quarters. The Wheelers won the game. Their region tournament will be on February 22 and 23 in Fresno. Currently, they are looking for a Lions club to cook lunch. Let me know if you are interested and I will send more information when I receive it.

I am thankful that the **California Lions Toastmasters** training on public speaking and listening skills. I am also thankful for the vice district governors and district team for helping and attending club visitations.

Have a Happy Thanksgiving, Happy Holidays, and Merry Christmas.  
Thanks for those of us who are serving this holiday season.

## MURPHYS-ANGELS LIONS

October 26: We had a nice size crowd at our Annual Appreciation Dinner for all our members and non-members who helped our club this year. Our cooks put on a grand meal. If you went home hungry, it was our fault.

President Kent addressed the group, thanking all the volunteers for the year's hard work. We couldn't do it without the extra help from the other groups: Friends of the Calaveras Animal Shelter and Calaveras American Little League.

This year's Ironstone Winery Concourse d'elegance Car Show workers are pictured left to right: Ed Kane, Jim Fraguero, Raelyn Winkler, and Carolee Kane. Hopefully by next year, we can get a few more volunteers at this GREAT event that supports youth agriculture groups, FFA and 4-H.

### SUTTER CREEK LIONS

Our club donated \$525 to the Interfaith Food Bank for their holiday campaign. We joined the community and made our donation at the "2nd Annual Turkey or a \$20" during the KVGC radio broadcast at the Cost Less parking lot. We are actively seeking new members who have new ideas and are willing to volunteer to make an impact locally. If you're interested in joining, email us at [info@suttercreeklions.org](mailto:info@suttercreeklions.org). We meet the second Tuesday of each month and share a potluck lunch.

### TRACY TANK TOWN LIONS

Tracy Tank Town Lions had a busy month--finalizing collection of plastic. Thanks to our partner--Kohl's in Manteca, we turned in 1,000 pounds of plastic. The below picture shows Debbi Hopman turning in our last 12 pounds of plastic. Thanks to The Look in Tracy, Eastern Star, Bishop's Warehouse in Stockton, Brighter Christmas of Tracy, Francis Bognuda of Linden Lions, and Jennifer Gass of Stockton San Joaquin Lions for helping us achieve our goal. While Lion Debbi was in

Hawaii, she met with members of Moana Lions. PDG Garrett Ogawa invited Debbi and Joe to join them in a service project, playing BINGO with residents of Kuakini Hospital Care Home. We had so much fun! (See photos below.) Tank Town Lions sends holiday greetings to our fellow District 4-A1 Lions.

"So blessed Lion Debbi, from the Tracy Tank Town Lions in California reached out and emailed me about meeting other Lions. She and her partner, participated in our annual service project earlier, then we took them to Jejubing and had Bingsu, followed by a stop at Big Island Candy. We were then invited to a dinner at Roy's, where we had a nice meal and excitement - the smoke from the fire from a nearby establishment caused the restaurant's smoke detector and alarm to activate. All in all, it was rewarding to meet Lion Debbi, share ideas, and most of all, make new friends! Mahalo, Debbi and Joe, for dinner and enjoy the rest of your stay here.

~ PDG Garrett Ogawa"

Tank Town Lions' Peace Poster Contest Winner was Savonee Gage-Gonzalez. She was presented with a certificate and a check for \$25 from President Carol Metivier and 1st VP Maxine Riley. Savonee wrote, "Peace, to me, means being united and working together as a whole to change the world".

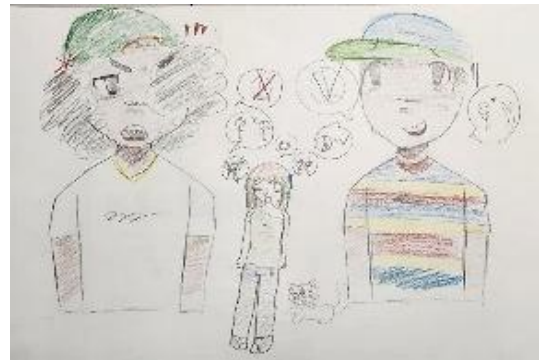

For a service project, Tracy Tank Town Lions collected stuffed animals to give to children undergoing cancer treatment at Valley Children's Hospital in Madera. On October 28th, President Carol Metivier, VP Maxine Riley, and Secretary Debbi Hopman delivered 70 stuffed animals to Bryan Estrada, Coordinator, Child Life Services.

### MODESTO 500 LIONS

Our Club's 1st Place Peace Poster Winner!

Club Meeting Recap - October 23: Such a great meeting! We enjoyed a presentation from two representatives from [Camp Taylor](#). Taylor Gamino, for whom the camp was named. The young man, Mason Baldonado, is a former camper with heart issues who has now become a mentor! SDS will be donating two Trex benches for them to use at camp. We are planning to partner with them in the future to help them with service projects.

We also held the [Peace Poster contest](#), which was chaired by Lion Kathy (our Bags To Benches chair). The theme was "Peace Without Limits." We had four entries but only one could be the winner. The winning poster will now advance to the District Level. Well done students!

Comfort Kit Drive: For the last few years, the Modesto 500 Lions have supported Love Stanislaus Projects, which includes this organization. We've donated funds for needed items and served to help fill backpacks and make teddy bears and other items. This year's event will be held at the Centenary Church 1911 Toyon Ave. Saturday, December 7th 8:30am-10:30am. The Board has donated \$250 towards purchasing items and a couple of members have also donated funds to add to the pot. If you are interested in helping by donating funds for more items, you can contact [PP Robin](#), who is making purchases in our club's name. You can also volunteer to help the day of the event by signing up [here](#).

Salvation Army Red Kettle Kick-off: Such a fun event! A turkey dinner was followed by presentations awarding members of the community who donate their time to serving those in need through the Salvation Army. Funds raised benefit their Red Shield, which helps families. Teams representing business and service organizations then run around with red kettles collecting money from others in attendance. President Dennis and PP Robin were the runners and did a pretty good job receiving donations. By the end of the event, about \$142,600 was raised!

Wannabe Lion Frank Gillum was amazed at the money raining down from the ceiling!

The Modesto 500 Lions would like to give a huge Lion's shout-out to our very own Lion Sue Carner for her tireless work and commitment to serving the vision-challenged. Lion Sue has been an active advocate for the Lions Eye Foundation, attending Foundation meetings, driving needy patients to and from doctor appointments, and collecting eyeglasses. In September/October of this year she personally collected and processed approximately 825 pairs of eyeglasses. Way to go Sue!

TURLOCK LIONS

Annual Delivery of Supplies to Westside Ministries:

Thanks to the Lions who delivered the club's annual donation/supplies to Westside Ministries on October 31.

The Turlock Lions Club welcomed the District Governor Eric Cheung to the November 7th meeting. Thanks to Cooking Crew Number One for a fabulous meal of ham, potatoes, green beans, salad, and roll. Dessert was a tasty cake. Lion King Ryan introduced District Governor Eric Cheung. DG Eric recognized the club's Veterans. DG Eric suggested we, as a club, work towards the club excellence award. DG Eric presented chevrons to our members who have served many years for their community and their club. Club members recognized were: 10 years Chevron to Lion John T, 20 years Chevron to Lion Carolyn G, 25 years Chevron to Lion Mike B, and 40 years Chevron to Lion Mannuel D.

**ESCALON LIONS**

Hot Chocolate Booth at Escalon's Christmas On Main Street: Okay, Halloween is over and the stores are gearing up for the Holidays. That means that Escalon's own Christmas On Main Street is just around the corner. And like the stores, the Escalon Lions Club is gearing up. In our case, we're getting ready to man the Hot Chocolate Booth. We'll be serving Hot Chocolate, Hot Cider, Hot Coffee, and, of course, cookies. We're looking for volunteers. We'll need help on setting up as well as taking down, and with the serving. This is a lot of fun, so be ready to volunteer.

Pete Arellano Memorial Girls' Basketball Tournament: The annual Pete Arellano Memorial Girls Basketball Tournament will be held 12/4-12/6 this year. Our club handles the main door and admittance to the tournament. Plus, we also provide seed money for the snack bar. Two-hour slots are available at 3:00 pm, 5:00 pm, and at 7:00 pm, each day. This is EASY duty and you will get to see some good basketball. We'll have a sign-up sheet at the meeting.

**TRACY BREAKFAST LIONS**

Tracy Breakfast Lions Crab Dinner - The 26th Annual Tracy Breakfast Lions Crab Dinner will be held Saturday, December 14. If you like crab, you'll want to put this on your calendar. Contact Lion Mike Okamoto (209-280-5140) for tickets and/or information.

Roger Traina Golf Tournament - Roger Traina was a popular and dedicated TBL Lion for many years. After he died unexpectedly a few years back, his wife, Diane, organized a golf tournament to raise money for scholarships in his name. This year, two TBL Lion's teams of four led by Dave McClanahan and Jack Guzman, competed. They didn't win the tournament, but placed a bet between the two foursomes which was won by Jack's group. The TBL also helped the tournament by serving food at one of the holes. The additional TBL Lions served hot dogs and hot links to the 140 golfers. Diane Traina said that the tournament was an enormous success. In the past few years, the Roger Traina Memorial organization handed out scholarships of \$1000. The success of this year's tournament will mean the scholarships will be increased to \$5000 each. The tournament netted \$38,000. Of that, \$25,000 will be held in the Roger Traina Memorial fund for scholarships, and \$10,000 will be given to Jefferson School's art and sports programs. Lion Roger was a graduate of Jefferson School before attending Tracy HS. Diane plans to continue the tournament in the future and the TBL club will likely continue to help.

The TBL has donated \$2000 to the Kimball football team for helmets that average \$300 each. We will return to do the "Breakfast With Santa" pancake breakfast at Banta School again December 7. It has become a regular event and is much-appreciated by the families at Banta School. We contributed \$1500 to the Tracy Theater Arts Collaborative. The TBL served hot dogs and hamburgers to the parents of the Tracy High School Boosters. The Boosters club provided all the supplies. Many Lions showed up for the dedication of Gene Birk Park on October 28. Lion Greg Bidlack confirmed that the application for \$9000 from the County Supervisors was used to purchase 40 new tables and 100 folding chairs. The announcement was greeted with much approval from those Lions who remember the old wooden tables. On November 20, we will serve pancakes plus breakfast to 240 plus people at West HS. We will serve pancakes and sausages, juice, coffee, and milk; and the school staff will add juice and fruit - plus basic supplies. Lion Dick Spence reported that we had a good year at the Lion's Concession Stand. The final game was when Tracy hosted St. Marys and lost 45-7. The Concession Stand did well and sold out of almost everything, which is what we hope to happen at our last game of the season. Lion Rick Hanson will contribute 80 pairs of glasses to the Lions' used glasses program.

## SONORA LIONS

Did I Forget to Mention the October 19th Glenn Bass Run? A nice donation will go to the Sonora High School Track Team Program.

Surf & Turf Dinner – November 1: I was extremely proud of this club in the way that the Surf and Turf fundraiser was held. Everyone came together to help as much as they could and went above and beyond expectations. Some of the comments I have gotten run the gamut of the entire event. "Delicious food", "steaks done to perfection", "outstanding raffle!" and "excellent service." There were very few problems and they were minor.

P.P. Kirk Noffsinger took a trip to Germany and Italy.

While in Germany, he visited a Lions Club in Munchin Blutenberg and traded banners. For that, he was awarded a fine of \$5.00!

### MOKELUMNE HILL LIONS

Calaveras Christmas to Remember - Moke Hill has a fundraiser the 1st Wednesday and Thursday of December. It's a worthy cause that raises money to give to children of Calaveras County and a trip to WalMart to shop for clothing for themselves.

We're happy to be part of this great fundraiser year after year. [FLIER](#)

## UPCOUNTRY 88 LIONS

Groovin' In The Grove Update - October 19: Upcountry 88 Lions had an information table and volunteered at Groovin' in the Grove at Pine Grove Park. It was advertised that people could bring their used eyeglasses, pull tabs, hearing aids, and cell phones for recycling. We had a donation jar for White Cane Safety Day. Above left photo: Lion Brian was holding the white cane that Lion Nancy bought to show the public – and District Governor Eric Cheung came again this year to help. Right photo: Lion President Vicki Snead-Hinkell and Lion Barbara (Bobbi) LaFargue from West Point Lions came to see how we set up our information table and to talk with DG Eric Cheung. Lion Frank helped at the Pine Grove Civic Improvement Club's beer booth. Lions Nancy and Terry so graciously set up and took down the information table. Lions Gail and Nancy helped organize the event with PGCIC. Lion Nancy went crazy with her grabber/reacher tool in picking up trash during the whole event! Thank you to all who participated. Several attendees signed our form with their contact information to get more information about our club. Yay!

Pine Grove Elementary School Fall Festival - October 25th - Thank you to Lions Terry, Nancy, Larry, and Brian for helping with the P.A.W.S. fundraiser again this year.

Like in past years, we cooked hot dogs and distributed chips and drinks. We had an information table there for those interested in learning what our Lions club is about.

We also donated \$200 that was earmarked for sending students to 6th Grade Science Camp. Above photo shows Lion Brian, Salina (President of Parents Association Working for Students - PAWS) and Lion Nancy.

Pioneer Elementary School Fall Festival - On October 30th, Lions Brian and Gail helped with setting up the new basketball game for the Pioneer Elementary's Fall Festival. It was put on by the Pioneer Parents/ Teachers Organization (P.P.T.O.) as a fundraiser. In the above photo, we gave a check for \$200.00 to the PTO's President, Whitney Duffie. Our club also donated bottled water, chips, and napkins. Lion Brian helped at the front table. Lion Gail staffed the basketball game. Lion Doug manned our information table. Along with brochures about our club, there was a sign that explained about the Cubs program that might be a possibility of starting in one or both upcountry elementary schools.

[#upcountry88lions](#) donated \$\$ on November 20th. Left to right: Joey/KVGC, Beth/Food Bank, Lions Gail, Doug, and Brian. They raised \$17,004 and collected 110 turkeys to help support the Interfaith Food Bank of Amador County.

#### BASS LAKE LIONS

On Sunday, November 10, 2024, Lions Roger Lee and Diane Peterson attended the annual meeting of the Bass Lake Homeowners Association. Those two Lions manned an information booth and spoke to several in attendance while listening to several agencies report on happenings at the lake and the surrounding region. The two had a great time encouraging residents to get involved with our Lions Club. (see photo above)

On Sunday, November 3, 2024, Lions Bruce, Diane and Jennie, along with four teens from our Yosemite High Leo Club, visited the Majestic Mountain Care Center in Oakhurst, formally known as the Wellness Center. Two of the Leos dressed in Lions' costumes, while the four Leos spread cheer as they passed out silk flowers with a cheerful note attached to the elderly residents.

Diane brought her dog, Mila, who every resident wanted to pet with a smile on their face. Before leaving, the seven visitors sang a song to those in the community room as they finished their bingo game. The Leos seemed to have enjoyed the visit as much as the residents!

The annual Canned Food Drive in Bass Lake began on November 1st and ran through the 15th of November. Several hundred items, including canned and packaged goods, diapers, and cat and dog food have been gathered and delivered to the local Manna House, which supports the poor and elderly in the mountain region of Oakhurst.

Finally, on Saturday, November 30th, the Bass Lake Village sponsored the annual [Winter Parade](#) with decorated cars, golf carts, and a fire engine carrying Santa and Mrs. Claus. As usual, the Bass Lake Lions will be present, passing out free hot chocolate to the hundreds of onlookers and selling cotton candy to support our annual activities. Rain, snow, or sunshine, we will be there serving our community with great Christmas cheer!

**LATHROP LIONS**

This past Veteran's Day, November 11, 2024, the Lathrop community gathered to remember and celebrate our Veterans. The event was well-attended, with more than 200 people in attendance. Guest speakers from each branch of the service spoke; and afterwards the Lathrop Lions Club served donuts.

**PATTERSON LIONS**

The Patterson Lions purchased and cooked 15 turkeys for Patterson Family Resource Center's Community Thanksgiving Dinner at the Masonic Hall. This annual event is free to residents of Patterson, and we have been a supporter for many years!

We also have spent time making plans to help support the community Christmas events happening in December, including the Warm Socks program, Trees in the Park, and the Electric Light Parade.

**MARIPOSA LIONS**

This past Halloween, October 28-31, the Mariposa Historic Museum sponsored their first Haunted House event. The response was overwhelmingly positive; and the plans for next year's event are underway. This would not have been possible without the community support by many groups. We want to thank the Mariposa Lions Club, the John C. Freemont Historic Society, the Mariposa Historic Museum, and the vast members for the community who offered their help and support.

The MCHS Sports Banquet on November 16th was hosted by over 17 members of the Mariposa Lions Club. They provided the kitchen help as well as serving the dinner. Among those who helped were Lions members Kathryn Montgomery, Maureen Spacke, Lulu Morehouse, Kim Sullivan, Geri Meisenheimer, Karen Cutter, Richard Knight, Shona Medinas, Sue Weihe, Jean Dordan, and Club President Eric Weihe.

## TRI DAMS LIONS

On October 26th, the Tri Dams Lions welcomed local families to a free pumpkin painting and face painting event organized by one of our regular community volunteers. It was very well received and parents appreciated having a free kid-friendly activity. For most, it was their first time coming to a Lions-hosted event and seeing the Burson Community Center that is operated by the club.

Tri Dams Lions received a large, unexpected delivery of salvaged bicycles; but our volunteers quickly mobilized -and within days, most of the bicycles were "triaged", cleaned, tested, and tagged according to their repair needs. There will be a few workshop days ahead to have these ready for the holidays! A special "thank you" goes to the Linden Lions Club for lending us a few good Lions -and to PCC Claudia for connecting us.

Our club followed up with screenings, prescriptions and ordering glasses(if needed) for 20 more people who were called back from the list of those we had paperwork on who were unable to be seen the day of our October 5 Vision Fair.

Huge thanks to CPFSJ's Community Development Manager, Xena Ferrario, for all her help and for letting us use the Dorothy L. Jones Family Resource Center again for screenings. Heartfelt thanks and appreciation going out to volunteers Sonora Lion Dr. Douglas Fleming for coming out with his equipment to perform the screenings and to Oakdale Lion PDG, Don Allen for bringing and serving with the spot vision camera. We hope to do more vision service soon [#LionsClubs](#) [#4A1Lions](#)
