JUNE VISION NEWS

June 1 is Helen Keller Day! Have you thought about a new vision service project to try this year? I hope you can join the San Joaquin Lions Club for our Helen Keller Mural Dedication and the District 4-A1 Helen Keller Bench Dedication on

June 28, 1-2 PM in Stockton. More details coming soon! Websites: californialions.org/helen-keller-challenge and

md4lions.org/helen-keller

See the fliers for a few opportunities.

The Community Center for the Blind & Visually Impaired in Stockton is holding a Tacos & Tequila fundraiser on **June 27**

with some of the proceeds benefiting scholarships for blind students, the Ron Valverde Scholarship. It will be at St.

Bernadette's Catholic Church, 2555 Country Club Boulevard, Stockton. This is a 21 and over event. Tickets cost \$50.00

per person available online at ticketstripe.com/tacosandtequila-2025 or by phone at (209) 466-3836. Menu includes tacos, chips and salsa, rice, beans, bottled water, three tequila shots. Beer, soda and top shelf tequila available for additional purchase. (On October 4th, there will be a Dining in the Dark event...save the date.) - [FLIER](#)

Please contact the San Joaquin Lions if you can help with occasional rides for blind passengers trying to travel throughout the county for activities, or if your club might be willing to help sponsor and volunteer on a trip for blind adults to visit the [Three Senses Trail](#) in Arnold. You can log volunteer hours by signing up as a volunteer for the "[Be My Eyes](#)" app. [FLIER](#)

Keep recycling eyeglasses and sunglasses! Cheer on the Mokelumne Hill Lions as they hold their [health and vision fair](#) on **June 7th**. See me, Jennifer, for Lions Clubs & Helen Keller Challenge 2.0 pins, ideas, and more!

CALIFORNIA LIONS CAMP

California Lions Camp recently awarded two grants. A \$5,000 grant was given to Mind in Motion, a new sensory gym located in Sonora. Founder, Jamie Tholcke, will open her gym in June, offering experiences for neuro-diverse children. The grant enabled her to buy equipment and offer scholarships.

Pictured are Laura McCullough, Jamie Tholcke, and Debbi Hopman

The second grant, of \$13,200 was awarded to Camp Taylor to help build a ropes course. As Kimberlie explained, children with heart conditions have been told so many times, "You can't do this, you can't do that." With protective equipment, guidance, and support, this high-level ropes course will challenge children physically and mentally while promoting teamwork, communication, and problem-solving.

!!! WAY TO GO !!!

Glasses: 25,000 As your Chairperson for glasses recycling, I wish to thank the many clubs who have contributed 25,000 pairs of glasses that have been taken to Vallejo so far this year. These will be cleaned, scanned for prescriptions, boxed, and either sent to existing Lions in Sight facilities around the world for distribution, or used in temporary clinics in many third-world countries. Your contributions are being put to good use. Actually, we do not know exactly how many were donated - because there were many boxes/bags of glasses with no names or amounts on them. If you are coming to a District Meeting, or if I'm picking them up, please remember to put at least your club's name on each container and (if you have time) the number of glasses within. Thank you.

Pull-Tabs: 295 Nearly 200 pounds of pull-tabs were picked up at the District Meeting. These, along with another 100 pounds, were taken to the Ronald McDonald House in Sacramento - for a total donation of more than 295 pounds, or more than \$1,000 (because of matching recycler funds). Chowchilla Lions were a big contributor, with more than 50 pounds donated.

!!!WAY TO GO!!!

Remember to record your donations in the Lion Portal.

If you would like me to pick up your glasses and/or pull-tabs - no matter where, please call Paul Wagner at 510-910-3755 - and it will happen.

DISTRICT 4-A1 TRAINING & OPPORTUNITIES

The District Global Action Team is here to help. We don't tell you what to do. We provide information and brainstorm with you. You make the decision(s) as to what is best for your club. We can come to you. Clubs may request training for their Club, Zone, or Region. Contact Global Leadership Coordinator Claudia Miller at ckay613cayucos@gmail.com 209-596-1219.

Zoom links are on [District Google Calendar](#).

Member Orientation (Zoom) **2nd Monday of the month** 6-7PM, except for November & December and June & July. [for new Lions and ALL Lions]

Town Hall Meetings (Zoom) **3rd Monday of the month** 6-7PM. Focus is on assisting officers and Lions with Lion Portal challenges, general questions, finding resources, and training on areas identified by district members. Ask questions and resolve challenges. Short trainings will also be provided throughout the year.

Rebuild Club Meetings (Zoom) **4th Friday of the month** 6:45PM. Any Lion or Club is welcome to join the meeting. Focus is to assist Clubs that want to increase membership and grow service and assist clubs in identifying [S.M.A.R.T. goals](#) to increase membership and strategies to make that happen. We share successes and flops, learn from each other, and work together to address challenges.

WIN A 1-WEEK STAY AT THE COAST

As a reminder, clubs that report service in all eight initiative areas by the end of the Lion year (6/30/25) will be entered to win a ONE WEEK STAY at the coast in the Cayucos vacation home of PCC Claudia Miller. If you need assistance with entering service into the Lion Portal, you may contact myself, Beth Estante bestante@gmail.com, Lion Claudia Miller, or Lion Maggie Stickler. ~ Beth Estante, 4-A1 GST

An estimated 700,000 people die by suicide every year (World Health Organization).

On average, 2% of health budgets go to mental health (World Health Organization).

People who are exposed to adverse circumstances – including poverty, violence, disability and inequality – are at **higher risk of developing a mental health condition** (World Health Organization).

Depression is the leading cause of disability globally, affecting an estimated more than 300 million people worldwide – the majority of them women, young people and the elderly (United Nations).

For depression, the gaps in service coverage are wide across all countries: in high-income countries, an estimated 23% of cases receive minimally adequate treatment for depression and in low- and lower-middle income countries this is estimated at 3% of cases (World Health Organization).

More than 80% of all people with mental disorders live in low- and middle-income countries, where the vicious cycle between mental health and poverty is particularly prevalent because of a lack of welfare safety nets and poor accessibility to effective treatment (World Health Organization).

Service Ideas

lionsclubs.org/mental-health

Promote education, awareness and advocacy resources and tools from reputable organizations such as the World Health Organization and World Federation for Mental Health.

Find your region or country's suicide prevention hotline using the International Association for Suicide Prevention's international suicide crisis hotline search feature and promote the hotline at awareness events and on social media.

Volunteer at your local center for elderly care to assist with enrichment and well-being events.

Explore the World Health Organization's mental health and well-being stigma reduction resources and promote them using social media to highlight the importance of lessening mental health stigma and debunking common misconceptions.

Use resources, facts and statistics from the World Health Organization and World Federation for Mental Health to create a World Mental Health Day social media campaign with your club, district or multiple district. Share your impact on social media with photos, videos and other assets using the hashtag #WorldMentalHealthDay.

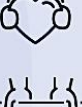

Support Lions Quest social-emotional learning and well-being curriculum for youth in your community. Consider providing promotional support and curriculum delivery for Lions Quest by applying for a Lions Quest Promotional Grant or Lions Quest Community Partnership Grant.

Contact local, state/province and federal government representatives to advocate for increased mental health funding and expanded services. Use our Lions Advocacy Toolkit to get started.

Use resources from the International Association for Suicide Prevention to highlight World Suicide Prevention Day in your community.

Provide assistance to mental health agencies and treatment centers by hosting fundraisers, providing publicity on social media and collecting needed supplies.

Explore ways to increase access to vital mental health screening services in your community among underserved groups by contacting and utilizing mental health professionals, psychologists and psychiatric physicians in your networks. Connect with local stakeholders such as schools, hospitals and community leaders to collaborate on shared goals.

Donate food, toiletries or maintenance services to a local transitional living home serving disabled individuals and/or those living with various mental health conditions in your community.

Encourage well-being and development of life skills among youth by creating a local social and mentorship group in your community. Get started by watching this video about Camp Conquer, a community-based youth wellness group created by Lions in Delaware, USA.

Host a walk or event in partnership with a local mental health organization to raise mental health and well-being awareness utilizing the World Health Organization's mental well-being resources and depression infographics.

DID YOU KNOW?

Stockton Host Lions Club was one of the first clubs formed in California and is the oldest club remaining in service - WOW! By 1920, there were nine Lions Clubs in the "First District." The additions were: Sacramento, San Francisco, San Jose, Fresno, and Pasadena, and OUR OWN DISTRICT'S CLUB, Stockton Host (formed August 19, 1920)!!!

Lions 4-A1 Marketing Team is Proud to Announce LIONS NEWSLETTER MONTHLY COMMUNITY PARTNER EDITION

The goal of the newsletter is to attract and nurture community partners that will ultimately have a collaborative working relationship with your club. These “community partners” can be businesses, non-profits, local government, schools, and even individuals. The unifying factor is these “partners” have a shared mission to one of the eight Lions’ Global Causes, district projects, or clubs’ signature activities. By experiencing who Lions are and what we do firsthand, the evolution between “partners” and new club members should develop organically.

Don’t let Lionism be the best kept secret! If you don’t feel comfortable bragging about yourself, send us an email and we will brag on you!! Deadline is the same as our regular newsletter – the 25th of each month.

We will officially launch on July 1, with the beginning of the new term; but we will have a preview edition (for feedback) available in the next week or so. That advance edition will be going out to all presidents, secretaries and marketing chairs for comment.

Be a part of this exciting new venture.

Please add Diana Ringer (dianaringer@icloud.com) to your distribution lists so she can get copied on all newsletters / community event fliers. The newsletter will have Upcoming Events (next 30 days) | Save the Date (2-6 months) sections for advertising upcoming public events.

Send personal stories about how our district projects/ Lions International causes have impacted you or the people you served. Testimonials, quotes, proud moments (1-2 paragraphs) are welcomed. Don’t forget to add relevant web-ready photos as well.

Have something you would like to contribute, even if you missed the deadline? No worries! We are developing a dedicated website with expanded editions of the newsletters which will showcase additional content. Send your blog post / photos to Diana Ringer, the site’s webmaster, and she’ll take it from there.

If you have the names and email addresses of community partners that we can send the newsletter to directly, please send those to Gail Cates. Please include the contact’s first name, last name, business/non-profit name, email address, and your club’s name. (We will be sending them a separate email, confirming if they want to get it.)

Message from DISTRICT GOVERNOR ERIC CHEUNG

Thank you to everybody who helped with the District Convention and everybody who attended. Congratulations to the new Lions and awardees. Also, congratulations to Modesto 500 and Atwater-Winton Lions Clubs for having their 75-Year- Anniversary Celebration Dinners. Congratulations to City of Merced Mayor Matthew Serrato for receiving the Lions Club International Melvin Jones Fellowship.

I thought after convention, life would be calmer. I visited the Los Banos Lions, who inducted seven new members this year. Their incoming President will also be a zone chair next year. And I inducted four new members (total of 10 new members this year) for the Sierra Lions Club. DGE Matt, 2VDGE BBQ Rob, and CS Maggie have helped that club throughout the year.

I had the chance to attend the District 4-C6 Convention. District Governor Stan Weitzman has a strong team and he and his district will be either the top one or two of districts donating to LCIF in our Multiple District Four this year. They held a tail twister breakfast as a fundraiser where Lions bought poker chips and gave them to their favorite team of tail

twisters. "The object is to generate excitement as you run through the audience with lively music and outrageous costumes, gaining as many 'tips' (poker chips) as possible from your fellow Lions." And they had "speed learning" session for talking about different district projects or foundations.

When I visited clubs this year, each club's projects made me proud. When I went to Madera Omega Leo Club's meeting, I was shocked when they talked about project after project, including a run on stadium stairs and run from the top of 10-story building to the end. Our Leos are doing amazing things!

I am looking forward to chartering the two, new Leo-Lions Clubs. Please be patient with me while I learn how to attract younger Lions to our clubs.

Most, if not all, of our Lions are hard workers. Please allow me to acknowledge PDG (Past District Governor) Norman Clark from Dos Palos. He has served as Club Treasurer for many years and had board positions on different Lions' foundations. He chaired their car show last year. When I visited Dos Palos's club, he came in with a bag on each hand and served ice cream during dinner. He did things quietly, and so quickly, that I couldn't find a way to offer to help him out.

Relay for Life happened in Los Banos and Modesto (Greater Stanislaus). Thanks for all those who attended, participated, and helped out. I wish I could have divided myself so I could go there (in addition to my work and my niece's graduation from UC Merced).

In June, I will be helping at Mokelumne Hill Health Fair. If you can come or help them out, please contact Mokelumne Hill Lions Club.

There are two All Star Football Games. Let's support the young athletes. The Helen Keller events at the end of the month in Stockton are detailed in the Vision article in this newsletter.

Thank you for all your hard work this year. Like International President Fabricio Oliveira mentioned, Lions doesn't end just because of a new year. My role might end, but let's keep serving and bringing more people to Lionism.

~ Lion Eric Cheung  **MISSION 1.5**

Lions International 4-A1 District Governor

ADDENDUM - a Retrospective of 2024-2025, Accomplishments, and Proud Moments

This might be the last article published as your District Governor. Thank you to all the Lions for their contributions. Let's congratulate District Governor Elect Matthew Stickler, First Vice District Governor Elect Stephan Moore, and Second Vice District Governor Elect BBQ Rob Hyatt. It is my honor to grow, be trained, stretch, and repeat what Lions do with all our Lions Club members. We have a young group of District Leaders this year. There are still lots to work on for the remaining month. Two Leo Lions Clubs will be chartered this month. Sadly, Merced Golden Lions Club and Arnold Lions Club will disband before the end of the year.

One of my proudest moments was when the Cubs (13 years old and under) stepped up - and not in just one district project (Joy Bag Project), but also a Multiple District Project (Stuffed Animal for Southern California Fire victims). Cubs GR and Kinsey have been to more Council of Governors meetings and California State Lions Conventions than most of our Lions. Originally, I thought they wanted to start a project to have their project "talk" with other Lions. They hit the ball out of the park with their second project. International Third Vice President Dr Manoj Shah and his wife Lion Jayna participated in it. It was a great photo op!

Our District has written grant requests to Lions Club International Foundation (LCIF). One was a Disaster Preparedness Grant, and the other was a District/Club Community Impact Grant for the Joy Bag project. Imagine if the power, phone towers, and phone lines were down (no internet). Then the impacted club would communicate their needs and District 4-A1 would bring the Disaster Trailer with its generator and Starlink internet. The grant also provides emergency supplies for clubs that might be high up in the mountains where the roads could be blocked by conditions due to fire, rain, or snow. Plus, LCIF has other grant processes to provide further support.

The Leo Clubs are doing amazing projects.

Thank you to the Leo Advisors and to the Leo Panelist (LCI position) PDG Gabrielle McKechnie. Several Leos, a District Governor, and his girlfriend represented California Lions and attended the Lions Day at the United Nations. I went to an Omega Leo Club meeting and they talked about project after project. They are proud to work with Lions and Alpha Leos and Cubs as well.

At the same time, most of our members want to give their free time to give back to our communities. By having the Lions Club, our team effort can do more. By listening to our new members, we can have more projects to benefit our communities and attract more members.

What are you waiting for? Talk with a Lion today and share the joy of giving back.

~ Lion Eric

FLAG DAY – June 14

<https://lions4-a1.org/district-projects/projects-youth/flag-day/>

Great Service Project Idea: Contact your local elementary school and offer to do a simple presentation about the USA flag.

Not sure what to do or say? Keep it simple. In this packet you will find information and suggestions. Or contact the Lion in your Club who has done this in the past. Take pictures! Post your service! ~ PCC Claudia Miller

IDEA FOR DISTRICT 4-A1 LEOS' NEWSLETTER

I have an idea! How about we do a separate newsletter – just for LEOS? Email me your thoughts. ~ [Lion Gail](#)

TOKAY HIGH SCHOOL LEO CLUB

[@Leotokayhighschoolclub](#)

Leo of the Year nomination and plaque winner: President Meredith Garcia! 🦁 We're honored to have Stockton San Joaquin Lion Club's support and thrilled for Nathalie Carbajal on her scholarship! Plus, President Meredith Garcia received a scholarship from Stockton Delta Pacifica Lions Club. Here's to our amazing Leos! Wishing you continued success!

[@stocktonsanjoaquinlions](#)

❤️ 🍀 so proud of all our Leos have accomplished and wishing you a wonderful summer and much success as you follow your dreams! I know you will go far. Thank you for your dedication and service to our youth Leo Advisor [@a_hernandez1983](#) and thank you for your support this year [@stocktondeltapacificallionsclub](#), [@lodilionsclub](#), Linden Lions Club and [@4a1lions](#)! Best of luck [@helpcharteranewlionsclub](#)!

The school year for Leos is wrapping up, and a new cycle is about to begin. Big thanks to all Leo members who made the Safari Leo trip unforgettable.

Make an impact! Our Service Project collects pull tabs to provide meals for families with cancer patients at the Ronald McDonald House 🏠

We're still buzzing from the Multicultural Fair! 🐾 A huge shoutout to Mrs. Cortez, Sandra Medina, and Silvana for being absolute rockstars. Thanks to their help, the event was a huge hit. If you took any epic photos, please share them with us - Mrs. Hernández was too busy making it all happen to snap any! (18 other photos are also on this Instagram post.) Huge shout out to all the Lions clubs that have supported us during all our events, especially the upcoming Multicultural Fair project: San Joaquin Lions Club, 🐾 Linden Lions Club, 🐾 Stockton Delta Pacifica Lions Club 🐾 Lion Gabrielle, 🐾 District Governor Eric, San Joaquin Omega Leos Club, and the soon-to-be-chartered club, Stockton Healthy Leo-Lions Club. Special thanks to Lion Sandra and Silvana for your dedication and support.

MADERA OMEGA LEOS

From April 25th to April 27th, fourteen members of the Omega Leo Club proudly attended the District Convention in Sonora.

On Friday evening, the Omegas hosted their own booth as part of the event's Disney-themed festivities. Our booth, titled Plaza de la Familia Omegas, provided a warm and engaging space for conversations with fellow Lions from across the district.

On Saturday night, our club was honored with two awards: Project of the Year for our Angel Tree Project, and recognition for our Dawson Dodgeball Tournament. These achievements reflect the hard work and dedication of our Omega Leos throughout the year.

Sunday morning, our committed members were up bright and early preparing and serving a pancake and sausage breakfast. It was a wonderful opportunity to showcase not only our service to the community but also our culinary talents!

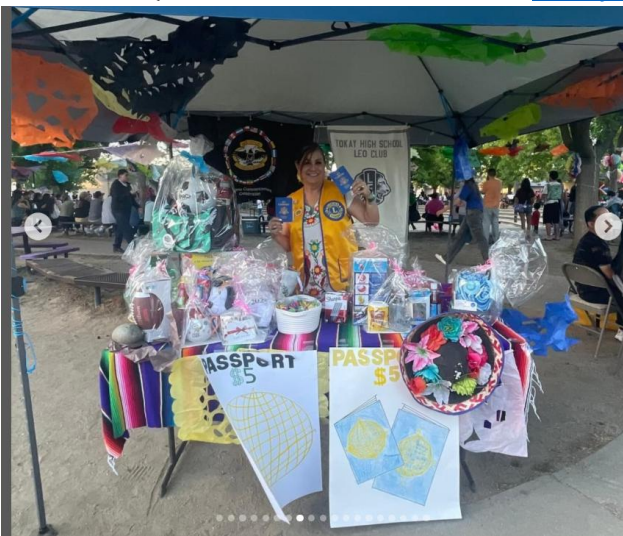

Chowchilla Fair BBQ: In a continued spirit of service, members of the Madera Evening Lions and the Madera Omega Leos volunteered at the Chowchilla Fair BBQ. Omega Natalia and Omega Jasmine played an active role in serving lunch and connecting with the Chowchilla Lions. Their support was genuinely appreciated, and the event further strengthened our bond within the Lions community.

Tracy Tank Town Lions have been busy in April--helping at the All Star Football Banquet and at the District 4-A1 Convention.

Through our fundraising efforts, Tracy Tank Town Lions awarded five-\$1,000 scholarships to graduating seniors. We received 16 applications! This year, we eliminated the grade point average in our selection rubric, wanting to emphasize community service.

Happy Earth Day!
Lathrop Lions got to celebrate Earth Day with [Lathrop Elementary School](#) today. We got to share about Monarch Butterflies being an endangered pollinator. We made origami planter boxes and each child got a packet of milkweed seeds and potting soil to plant in their planter.

Origami Gift Box

The image shows a series of 11 numbered steps for making an origami gift box. The steps are: 1. Fold to make a crease and unfold. 2. Fold in to line up in the centre. 3. Fold in to make a crease and unfold. 4. Fold in to make a crease and unfold. 5. Open. 6. Fold in to line up in the centre. 7. Fold down. 8. Fold up. 9. Open. 10. Fold in the crease lines to build. 11. Done! Now you can put small sweets inside! The instructions are accompanied by diagrams showing the folding process. To the right of the instructions is a photograph of a completed white origami gift box.

Our Tasteful Meet and Greets on March 19, April 16, and May 18 were a blast. Lion Marie made and discussed healthful salads, salad dressings, appetizers, and desserts. She handed out recipes. We had a registered dietitian, Suzy Mazrolle, from Sutter Amador Hospital speak about diabetes. Members were encouraged to attend and greet any of the public that participated. Gail and Marie were on the radio to several times to help advertise the events. Thank you to District 4-A1 for helping with the expenses!

ATWATER-WINTON LIONS

We celebrated our 75th Anniversary as a club! The night included a fabulous dinner, wonderful community support, outstanding silent and live auctions, and superlative fellowship. Thank you to all of club members who worked to make this event an absolute success!

MOKE HILL LIONS

Moke Hill Lions will be having their 1st Health Fair on **June 7th** from 9AM-5PM at the Moke Hill Elementary School. We are very excited about this and hope, if successful, it will become an annual event to support the health of our local community. If you would like to volunteer to help with this event or would like additional information, you can contact Lion David LeGrande at 301-503-9165 or davidelegrande1@gmail.com – [NEW FLIER](#)

TRACY BREAKFAST LIONS

We've done two pancake breakfast servings in two weeks for the local high schools; plus, we had our installation dinner. We will have a BBQ set up at the annual Tracy Boys and Girls Club's golf tournament at the Ruby Hills Country Club on **June 16th**. Attending will be many active and retired 49er football players. This is the 30th year of the event and it's always sold out.

RIPON LIONS

The Ripon Lions winded down the year with one final gathering of all the volunteers and members who served at our annual Spaghetti Dinner Fundraiser in February on May 23rd. President Mark McLaughlin is finishing his 2nd term as President in June, while Brian Shearon will be taking on the President's position in July. Overall attendance at meetings increased this fiscal year as we look forward to more interesting meetings in the next fiscal year. Our new Marketing Director (Director Kelly Donahue, CEO of the Ripon Chamber of Commerce) has dramatically increased our social media presence this year. ~ Damon Woods, Secretary, Ripon Lions 2020-2031

BASS LAKE LIONS

On Saturday, May 17, 2025, the Bass Lake Lions hosted the 33rd Annual Antique & Classic Wooden Boat Show at Miller's Landing from 7 a.m. until 3 p.m. The Bass Lake Lions served coffee and donuts to boat owners from northern and southern California in the early morning and passed out tri-folds to visiting tourists from nearby and as far away as Costa Rica! A raffle was conducted by the Bass Lake Lions during this event and proceeds went toward college scholarships or other charitable endeavors. 23 beautiful and well-kept wooden boats were on display; while over a dozen classic cars were displayed near the pier. The cars were recognized during the daytime. Trophies were awarded for several categories later that evening for the boats. Not only did Miller's Landing host this event for the third consecutive year, but they also added a live band to keep everyone entertained with music from the 1960s through the 1990s. What a great time it was for everyone.

On Monday, May 5, 2025, fourteen senior high students at Yosemite High School were awarded college scholarships for either \$500 or \$1,000 from the Bass Lake Lions. The awards were presented by Bass Lake Lions Jennie and Diane.

CHOWCHILLA LIONESS LIONS

The Chowchilla Lions Lioness Club will have a Fireworks Booth starting **July 1st and going through July 4th**. We will be located at the Save Mart Shopping Center at 1225 E Robertson Blvd. ~ Sylvia Gutierrez

ESCALON LIONS

We heard from Sally Hale - Great Valley Writing Project. This is a project was geared to help students learn about writing and its importance as a life skill. At the same time, the project also provides training for teachers who teach writing. And, not surprisingly, The Great Valley Writing Project can always use volunteers. Here's their Facebook page.

<https://www.facebook.com/GreatValleyWritingProject/> As a side note, the Board voted to donate \$500 toward the project.

McHenry Trash Pick Up - We did our periodic trash pick-up that coincided with Love Escalon on April 26. We started around 9:00 am and finished around 11:00 am. Following the pick-up, Dick and Karyn Dawson provided a GREAT lunch for us. Thank You, Karyn and Dick!! And we send out a special "Thank You" (in no particular order) to Jeremy Engle, Richard Miller, Jeff Miller, Tom Machado, and Tyson Texeira. Plus, a REALLY SPECIAL "Thank You" to Heather Texeira. And, McHenry Avenue looks really CLEAN!!

Scholarships - The scholarship committee met Wednesday, April 16 at Lion Gary Haskin's home to select the recipients for this year's Escalon Lions Club scholarships. The awards ceremony was held in the "New" gym at Escalon High School, May 21 at 6:00 pm.

Autumn Cruise (Again) - The Autumn Cruise is coming up. It may appear to be a long way off, but there is a "boatload" of things to be done. To start with, the annual envelope "stuffing party" was held at the Grange Hall, Thursday, April 24. Second, and REALLY IMPORTANT, we will need raffle prizes for the Cruise. Do a prize (or prizes), and/or have a friend, co-worker, customer, etc. provide a prize (or prizes). You can purchase a trophy (and select a recipient at the show) for \$60. We'll have more in subsequent bulletins. [CORNHOLE TOURNAMENT FLIER](#)

Upcoming Summer Events - The Escalon Lions Club usually does not meet in June, July, or August - with the exceptions listed here: President's Dinner, Park Fete ([LINK](#)), and Escalon Lions Summer Picnic. However, there are other exceptions on occasion.

TURLOCK LIONS

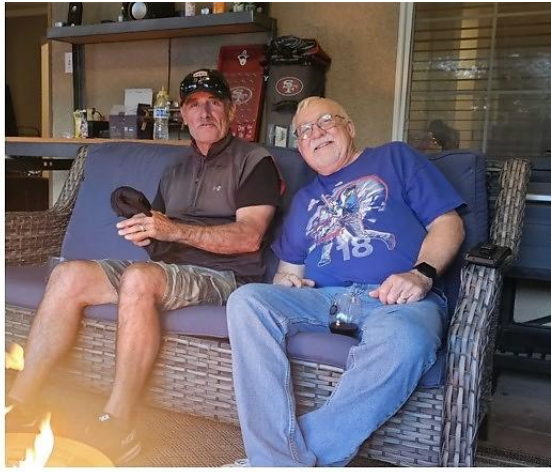

Turlock High School installed some new flag poles that we donated to. They had us out on Monday for an unveiling. If you couldn't make it, maybe drive by one of these days and take a look. Parking Schedule For the Fruit Yard - **June 7, 13, 28. August 23. September 6, 27.** All club members are needed. Plan on volunteering as much as possible, or at least three events. Please let King Lion Ryan know which events you will be volunteering.

MERCED BREAKFAST LIONS

The Merced Breakfast Lions Club Installation Dinner and Ceremony will be on **June 12th** at the Italo American Lodge at 6pm. Dinner will be pork loin, roast potatoes, green beans, bread, salad, plus a dessert of limoncello cake and chocolate Kahlua cake with ice cream. Cost is \$30 per person. Matthew Strickler, the new district governor, will conduct the MBLC officer installation ceremony. This is always one of the highlights of our year. We hope to see you there. RSVP to this [email](#). ~ Michael Belluomini

Lions and Leos shared a cloudy day of fun at Saturday's **Leo Appreciation Day** at Lake Yosemite. The Leo turnout was low, but those who came out enjoyed a bounty of friendship, food, and games. Some event highlights: Lions Celeste and Tim's incredible mocktail bar expertly served up with the help of Lions Wesley and Hugo; Lou Souza's "Left Right Center" dice game, Leos showing their teamwork and determination in solving the "Human Knot" game; and Lions Kevin and Lou's excellent officiating of a few "Tug of War" battles. Thank you to Lions Ray, Edgar, Anne-Marie, Michael Bandoni, Michael Belluomini, Nancy, Chai, and Allen for also joining in on the fun. - Reporting by Gary Eno

Lou and Kent enjoy some time by the fire pit at this month's **Cooking for the Homeless** event. - Reporting by Ray Wenham

Abby Samuelson, El Capitan High School Senior and long-time friend of the Merced Breakfast Lions Club was the Winner at the **District 4-A1 speech contest**, held in conjunction with the annual District Convention at Black Oak Casino. Supporters in the audience were Steve Teranishj, Ken Harrison, and Bill Halpin.

She competed against three other entries, one each from Los Banos, Ripon, and the Stockton San Joaquin Lions Club. Two of the candidates were second-year contestants.

Abby's next stop will be May 10th, 2025 for the Area Competition which is composed of District 4-C1 (from north of Sacramento, through Chico, and up to the Oregon border, and Region 4-C5 which includes Sacramento, Yolo, Placer, El Dorado, Nevada and Sierra Counties).

The competition will take place at the Roseville Sunrise Lions Club House, 1200 Gabrielli Dr. Roseville, CA. Doors open at 12:30 PM. - Reporting by Ken Harrison

We have collected 200 pair of glasses from our collection "mailbox," doctors' offices, and donations. We also collected hearing aids and cell phones. We are renovating the eye glass collection "mailboxes." They will be wrapped. One will be placed at Save Mart and one at Raley's. Edgar would like people to comment on his mock-up of mailboxes and provide suggestions. (See photos). The El Capitan Football Team will be staffing the fireworks booth with us this year. Lions are also welcomed to take a shift.

The Results from the Lions Club Area Student Speakers Contest – May 10th, Roseville, CA - reporting by Ken Harrison. Many of you will remember Abby Samuelson's initial presentation at our club in early February 2025. She was our club winner and went on to win the Zone, the Region, and the District Competition at Black Oak Casino during our District's convention. At that point, her winnings totaled \$4,825. Next stop was the Area Competition, competing against two other winners for the opportunity to win a \$6,500 Scholarship grant. The Lions Club Speech Area Contest was held at the Roseville Sunrise Lions Club house in Roseville, CA. Each District had an applicant competing in the Area Competition. One was from Marysville, CA, representing District 4-C1, one from Elk Grove, CA, representing District 4-C5, and one from Merced, CA, representing District 4- A1. All the speakers had a very good grasp of the subject matter, "Artificial Intelligence: friend or foe". While Abby did not win the Area Competition, in my opinion, her presentation skills were slightly above the winner's, while the contest winner presented a more detailed or in-depth presentation about the value of Artificial Intelligence. The winners' next stop will be in the San Diego area, vying for a \$10,000 scholarship grant.

LINDEN LIONS

May 13th Meeting - The 2025 Cherry Festival Queen was introduced. Abigail Samuels was presented with a scholarship for \$500.00 by President Dr. Richard Boden.

Abigail talked about her experiences in winning the Queen contest. She had an interview, a 5-minute prepared speech, and an impromptu question. She must have done well because she won.

Past President David Frison introduced 2025 San Joaquin County Teacher of the Year: Lion Brian Neugebauer.

Neugebauer is an exceptional high school science teacher with 20 years of experience who teaches biotechnology and chemistry to students in 10th through 12th grade at Linden High School (Linden Unified School District). Neugebauer knows his students well. He makes science accessible and meaningful. Congratulations for a job well done! May 13th

Meeting was Past Presidents Night—each one in attendance was given an opportunity to share their memories/accomplishments at the podium.

P.P. David Frison 1996/97, P.P. Steve Moore 1998/99

P.P. Jay Colombini 2001/02, P.P. Dennis Gogna 2005/06

P.P. Bobby Arrigone, Jr. 2011/12, P.P. Dan Leone 2014/15

PDG Doug Campbell had the honor of presenting Membership Key pins to Lions who have sponsored two new members: Lion Johnny Sousa, Lion Nelson Laires (not present) and P.P. Reggie Katzakian.

I.P.P. David Stagnaro was presented with a Membership Advancement Key for five new members and P.P. Bobby Arrigone Jr. was presented with a Builder Key for 10 new members.

Dr. Kass was invited to speak about sleep apnea and new developments in the treatment of sleep apnea. He discussed new headwear, masks, and electronic implants. Also, he talked about sleep apnea-induced headaches. His presentation was extensive. If you are interested in additional information, please contact Club President Dr. Richard Boden.

MODESTO 500 LIONS

Fireworks Booth! It's that time again! Modesto 500 will once again hold our annual fireworks booth, **July 1-4**. We will only be open for four days and the first two days will be reduced day schedules. Please contact [PP Robin](#) to schedule a block of time (or two!). This is our first fundraiser of the year and many hands make light work! Here is their [FLIER](#).

Club Meeting April 23 - Speaker Bonnie Rae with the Alzheimer's Association lead a great discussion on understanding Alzheimer's and how it differs from dementia. Many questions were asked (but I can't remember what they were!). Don't forget, we will have a Modesto 500 team at the local Alzheimer Walk Saturday, **September 16**. We welcome you to

join PP Robin and walk with her in honor of someone you may know or have lost to this terrible disease. Here's the link for the [team](#).

We had a great turnout for the meeting!

PP Robin thought she'd get away from the group photo by taking the picture, but PP Jerry had other ideas (drat!!)

Modesto Red Shield Kidz Day! Salvation Army's Red Shield Kidz Day was Tuesday, May 13. PP Clayton and PP Gabrielle, along with their clients from VCDI/TCDI, sold special editions of a Morris Newspaper publication. This project benefits at-risk youth. - [LINK](#).

Love Modesto - Employees of Camp Taylor, a camp for children with heart disease and their families, put together the 4th & 5th TREX benches, donated by the Modesto 500! They have placed both in their vegetable and flower garden, including our plaque, so people can rest and enjoy the fruits of the students' labor!

PID Howard Hudson was our honored guest, along with his wife Lynn, delivered a heartfelt presentation.

President Dennis Miner lead the evening welcoming guests and club members and moved the agenda along.

In addition to the Hudson's, PDG Claudia and incoming District 4-A1 President Matt Stickler and Cabinet Secretary Maggie Stickler joined us for the evening.

Past Modesto 500 members PP Jim and Pat Syvertsen drove all the way to Modesto from Arizona, bringing their scrapbook, to join the party!

Remember him? PP Mike Tozzi joined the festivities and shared some of his club memories.

Past Modesto 500 member, PP Wayne Hill played taps to honor those members we have lost.

We had a great attendance and the DoubleTree staff did a great job taking care of us!

In addition to the raffle prizes, there were so many scrapbooks with Modesto 500 history!

Some of the raffle prizes donated by cub members.

Modesto 500 75th Anniversary! What a great success and a delightful evening! PP Carol and Lion Lori put together a beautiful event! Past International Director Howard Hudson and his wife Lynn joined us for the evening; and Lion Howard extolled the virtues of Lions and the Modesto 500 Lions Club. Many Modesto 500 past presidents shared their scrapbooks so everyone could get a glimpse of Modesto 500's history. It was also great to see former members and members not seen in a while enjoying the evening. Thanks to PP Jerry Cooper, who took photos of the guests who received a memento of their evening! Thank you also to those who contributed items to the free raffle opportunity. Let's bring in some new members so the club will be around to celebrate their 100th!

SONORA LIONS

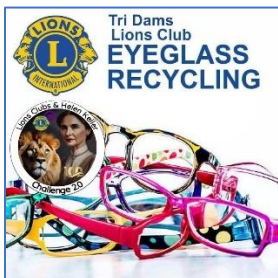

May 10 – Here's our Mother's Day Parade Float, courtesy of Jerri & Bud Regelin. Left to right are Bud Regelin, John Nolen, Joe Skaff, Phil Baylis, Don Rolle, Fuzzy Lion, Jerri Regelin, Jill Schwab, and Irene Wetzel.

During the month of April, we awarded six \$1000.00 scholarships to deserving Columbia College students. \$6,000.00! Not bad for a small club. By the way, Lion President-Elect Joe Skaff headed up this event.

According to what's been reported, during April nine Lions donated a total of 147 hours to worthwhile community projects. Many hours by Nick and "Cat" Reuter doing their part to control populations of wayward cats.

Our own Glenn Gottschall received a well-deserved award for his years of chairing Club and District Student Speakers Contests. Presenting his award were District Governor Eric Cheung (right), and 2nd Vice District Governor Steve Moore (left).

## Leo of the Year

Leo Jade Jimenez (Madera Omega Leo Club)

In her capacity as Vice-President of the Madera Omega Leo Club, Jade has demonstrated exceptional leadership and dedication. She facilitates monthly meetings, both virtually and in person, in the absence of the club president. Additionally, she represents the club at Lions meetings where she delivers comprehensive Leo activity reports. Jade maintains proactive communication with project and event chairpersons, ensuring effective coordination and execution. She also organizes initiatives designed to assist Alpha Leos in their transition to becoming Omega Leos, promoting continued community service. Under her stewardship, the club has successfully implemented several impactful service projects, including Hygiene Closets (Omega Closets) - providing essential supplies to approximately 900 students across three middle schools, Coats for Kids - repurposing approximately 900 coats from lost-and-found collections across 15 elementary schools, and the Suitcases for Children and Youth in Transition - assisting children and students experiencing homelessness or residing in foster care. For three consecutive years, Jade has served as chairperson for the Omega Little League booth, which operates from March through June. This initiative constitutes the club's primary fundraising effort by supporting all other service projects. In the current year, Jade has undertaken the responsibility of chairperson for the 106th Annual MD4 Convention – Leo Symposium, where she coordinated the formation and preparation of five presentation teams, comprising two Omega Leos each. Her exemplary efforts were recognized through the conferral of a Resolution of Appreciation by the 2024–2025 Council of Governors. Jade has been instrumental in driving membership growth by recruiting individuals. She works in close collaboration with the membership chairperson to advance Melvin Jones' vision of meeting every community need through Lions and Leos. Her commitment is further evidenced by her active participation in esteemed Lions International events, including Lions Day with the United Nations (LDUN) 2023 in New York City, Rose Bowl Parade float decorating in Pasadena, Lions University Bachelor's Program in Reno, and the Leo Leadership Forum 2023 in Chicago. Beyond her contributions to the Lions organization, Jade is nearing the completion of her Bachelor of Science degree in Forensic Behavioral Science at California State University, Fresno. Throughout her academic journey, she has excelled in classroom, laboratory, and clinical settings across the Central San Joaquin Valley. On a personal level, Jade is a disciplined, kindhearted young adult with a pleasant demeanor. She demonstrates intelligence, diligence, and a great passion for mentoring younger Leos. Her reliability and resourcefulness have been instrumental in shaping the club's service strategies. Jade is an exceptional candidate for the 4-A1 Leo of the Year Award.

DAYLEN THELANDER, CARLY THELANDER, RUTH NISHIMOTO,  
AND THE MADERA LEO CLUB

Madera's Got Talent (MGT) has been the primary fundraiser for the Madera Leo Club to buy shoes, socks and coats for children in Madera. MGT started as an idea to raise money for the "New Shoes & Socks Project" and "New Coat Project." The Leo club has had nine Madera's Got Talent shows. This coming year will be the tenth Madera's Got Talent. What started as a fundraiser, has become a platform for talented youth in Madera to perform. We now have contestants that have been in every show, and look forward to the next show every year. A few of the contestants that have graduated from high school, then go on to college, and are now pursuing a degree in performing arts. Madera students can compete in MGT starting in kindergarten up through twelfth grade.

Madera's Got Talent has not only provided a place for students to shine, it has also become a huge fundraiser for the Leo Club. Last year, MGT had three platinum sponsors of \$1000 and raised over \$4000. With the monies earned, the Leos were able to purchase 330 pairs of shoes and 1,650 pairs of socks which they personally shopped for and delivered. The students who receive the shoes and socks were identified by the school's administration. The Leos were able to give to 18 elementary schools in Madera. The Leos always look forward to every aspect of the New Shoes & Socks Project. They love shopping, sorting, and, of course, delivery day. Then they can personally assist a young child with removing old, worn-out shoes and socks, replacing them with a new pair of shoes, and giving them five pair of socks to take home. We now have Leos who are members of the Madera Leo Club, and who serve on the student Leo board, who have received shoes from a Leo when they were in elementary school.

## Project of the Year - Small Club

### Operation Santa (Merced Golden Lions Club)

In Operation Santa, he was escorted by Merced Police Department through neighborhoods with the three local Leos Clubs passing out approximately 3000 candy canes, 20 volunteers and reaching 2000 people. It was a three-day-event. Volunteer Lions dressed up as Santa Claus and Mrs. Claus and sat on a sleigh that traveled through different parts of Merced. Santa's Little Helpers passed out candy canes. Lion drivers honked a Christmas melody to notify that Operation Santa was there. Kids came out, received candy canes, and got photos with the moving Santa.

## Project of the Year - Medium Club

Lions Vision & Health Fair (STOCKTON San Joaquin Lions Club)

The STOCKTON San Joaquin Lions Club was thrilled to be able to hold a free Vision & Health Fair in tandem with Community Partnership for Families of San Joaquin's Multicultural Health & Resource Fair on October 5, 2024. We promoted the event heavily through sharing fliers to local farmworkers, shelters and other service organizations, recording a PSA, and posting on social media and community calendars. Our committee held several planning meetings with Dr. Eleanor Britter from Peninsula Special Interest Lions Clubs, Lions in Sight, optometrists, San Joaquin Delta College's nurses, and Health Careers Academy High School to get all the needed items and personnel in place. We recruited the 30+ volunteers needed for all the vision and medical services. Our club members, along with Lions partners from around the district, served on October 5 by helping perform diabetes testing, blood pressure checks, spot vision screenings, and eye doctor checks. Those in need were provided with refurbished eyeglasses and secured gift certificates to order glasses for those who could not use the glasses that were in stock. We screened 215 individuals and held two subsequent callback events to finish out the line when needed to be cut off. They took place on November 2 and 17, with two different Lion optometrists volunteering. We were able to order new glasses for 62 patients, and many went home with refurbished pairs on October 5. We sought partnerships and grant funding from two neighboring clubs, District 4-A1, and Multiple District Four to help us provide lunch for all the vendors and volunteers at both the Lions Vision & Health Fair and the Multicultural Health & Resource Fair, hoping to market membership opportunities among those service-minded students and people. We recruited a member while planning this project, and hope to keep building these relationships! Many glasses requests are coming our way because of this marketing campaign.

## Project of the Year – Large Club

Madera's Alpha and Omega Clubs (Madera Evening Lions Club)

Project of the Year - Large Club  
continued

I am writing to nominate the Madera Omega Leo Club for the prestigious District 4-A1 Leo Project of the Year Award. This outstanding group of young leaders consistently exemplifies the spirit of service and commitment to community that lies at the heart of Lionism. Through their year-round efforts, they have made an exceptional impact on promoting diabetes awareness, fostering youth engagement, and encouraging physical activity. The Madera Omega Leo Club has demonstrated remarkable dedication to diabetes awareness through their participation in various events, including the Wheeler Basketball Game, the Strides for Diabetes 5K, and the organization of their very own walk/run group at the Lions Town & Country Park. Their proactive engagement in these activities not only educates the community about diabetes prevention and management, but also inspires healthier lifestyles for all participants. A centerpiece of the Madera Omega Leo Club's efforts is the annual Dawson Dodgeball Tournament, a signature project that has become a cherished event for middle schools in Madera. This year's tournament, held at MLK Middle School, saw an impressive turnout of over 400 attendees. Sixteen teams, representing 7th and 8th-grade coed groups from each middle school, competed for the coveted championship trophy, which brings pride and bragging rights to the winning school. The success of the Dawson Dodgeball Tournament is a testament to the Omega Leos' organizational prowess. Partnering with the Madera Unified School District, they ensure all facility use is approved, proper insurance documentation is provided, and logistical operations run seamlessly. This event has garnered widespread admiration from the schools involved, as it fosters student motivation, improves behavior, promotes team cohesion, and, most importantly, keeps students active and engaged. The Madera Omega Leo Club embodies the values and mission of Lionism through their tireless dedication to community service, youth empowerment, and health advocacy. Their innovative projects and heartfelt commitment have made a lasting and positive impact on the lives of many. It is for these reasons that I wholeheartedly believe the Madera Omega Leo Club is a deserving candidate for the District 4-A1 Leo Project of the Year Award. As a side note, the Omega Leos also hosted a friendly dodgeball tournament the day prior to the main event, which included teams from the Madera Evening Lions Club, the Madera Alpha Leo Club, and the Madera Omega Leo Club. While all teams put forth a commendable effort, it was the Omega Leos who emerged victorious, demonstrating not only their athletic prowess, but also their camaraderie and competitive spirit. Thank you for considering this nomination. ~ Lion Jose C. Rodriguez, Omega Leo Advisor, Madera Evening Lions Club

## Project of the Year – Extra Large Club

### July 3rd Fireworks (Jackson Lions Club)

Why do we do it on July 3rd? 1) Cheaper to get professional fireworks then. 2) Serving Lions can be with their families on July 4th. This event has been done by Jackson Lions Club for over 50 years. Lion David Carlson has been the chair for over 40 years. It's located at Jackson Jr. High School. We keep people off the field for insurance purposes. There is a viewing area in the local park where kids can be safe and "turn them loose." The club sells safe and sane fireworks to offset the cost. More than 50 Lions help, starting weeks in advance. The event is from 5pm-10pm. Lion David is the public address announcer. There's a watermelon eating contest, water balloon toss, and 3-legged race. We partner with the Little League, which takes care of the food booth. From past years, Lions Club members from other clubs compliment how safe the area is. The local gaming tribe donates and helps with the costs.

## Club of the Year

### Hughson Lions Club

On behalf of the Hughson Lions Club, I am honored to share a reflection of our year, filled with dedication, service, and community impact. As we began this year last July, we set ambitious goals: to grow our membership by 15 members, retain our valued members, raise \$100,000 for our community, and continue our long-standing commitment to the people of Hughson. Our 2024-2025 journey has been marked by significant achievements that underscore our commitment to service. While we have raised approximately \$78,000 so far, we are proud of the continued success of several key fundraising initiatives. The Prime Rib Dinner was a standout event, raising over \$40,000—our most successful fundraiser to date. Additionally, our involvement in local concerts at the Fruit Yard Event Center contributed another \$28,000 to our fundraising efforts, despite the challenges posed by this year's entertainment lineup. In response to community needs, we're excited to host a second major event this April—a Crab Boil in partnership with the Hughson High School Basketball Team. Half of the proceeds from this event will benefit the team, further reinforcing our commitment to local youth. Moreover, we are planning a Car Show and BBQ during the Fruit and Nut Festival in Hughson, where we will not only raise funds for our club, but also contribute to the overall success of this community-

wide event. Our Christmas season was especially memorable. The toy drive was a great success, with generous community support - and over 50 bikes donated. Our Lions were out in full force, serving tri-tip sandwiches at the event and watching the mountain of gifts grow throughout the day. A highlight of this event was the arrival of Santa, who flew in via a sheriff's helicopter, alongside Mrs. Claus. Following the toy drive, our members and their families worked together to wrap over 500 gifts in just three hours—an example of the tireless, heartwarming spirit that defines our club. The support we offered to families in need didn't end there. We partnered with the local Fire Department to deliver gifts to 28 children from underprivileged families. A few days later, we delivered to the Cold Weather Shelter and helped another approximately 75 children with gifts and food for their families. This partnership continues to serve families facing homelessness, offering resources and support to help them rebuild their lives. Our regular community events, such as the 6th Grade Camp fundraiser, the 8th Grade Graduation BBQ, and the CHP Benefit Dinner, continue to be staples in our community. These events not only raise significant funds, but also help foster a sense of community and support for local causes. The success of our BBQs, including a \$12,000 fundraiser for 6th grade campers, speaks to our ongoing impact. We are proud to continue our longstanding tradition of supporting local seniors at Samaritan Village, where our members visit regularly to serve meals and connect with residents. Many of the veterans living there have fond memories of their time as Lions, and we cherish the opportunity to hear their stories and receive their tokens of appreciation. Additionally, our ongoing participation in local Pop Warner games demonstrates our club's presence and commitment to youth in our community. By providing meals at every home game, we ensure that our club is visible and engaged with families every week, further strengthening our ties with the community. In May, we will continue give \$21,000 in high school scholarships like we have done for over five years. One of the greatest sources of pride for our club is the energy, passion, and dedication of both our longstanding and newer members. While we may not always be the most organized club, we make up for it with an unmatched commitment to service. Our members—young and old alike—serve selflessly, embodying the true spirit of being a Hughson Lion. They are generous with their time, their hearts, and their efforts, and I am beyond proud of each one of them. As we reflect on the year's accomplishments, I am filled with immense gratitude for the incredible work done by our members. The Hughson Lions Club is truly a family, and together we strive to make a meaningful difference in the lives of those who need it most. Thank you for considering the Hughson Lions Club for the Club of the Year award. We are incredibly honored to be part of such a remarkable community, and we look forward to continuing our service for many years to come. ~ President Mark Mott
