RELAY FOR LIFE

Hello District 4-A1 Lions,

As we end another Lion year, I want to thank all the clubs in our District that have supported their local [Relay for Life](#) events this year. There are many, and I don't want to feel bad by listing those I know and miss out on a club

that I didn't know participated. With your help, three of our local Relays have raised over \$250,000 this year for The American Cancer Society to use in their fight against cancer and support those that are fighting.

Los Banos - \$36,051

Madera - \$59,009

Modesto - \$155,970

There is one more Relay happening in September of this year. They haven't raised a lot of money yet, but let's see if we can help them meet their goal.

[Relay for Life of Linden](#) – **September 13, 2025**

For those interested in participating in Relay for Life, please reach out to me to receive contact information for the local coordinator and learn how to contribute.

Thank you for all you do and look forward to working with all of you for many years to come.

LIONS EYE FOUNDATION FUNDRAISER

Dear Fellow Lions of District 4-A1,

For over 60 years, the Lions Eye Foundation has provided life-changing vision care to those in need—treating conditions like cataracts, glaucoma, and diabetic retinopathy with expert, compassionate care. Most of us in District 4-A1 proudly support this vital cause through our club memberships. Now, we have the opportunity to do even more. For the first time in our district, we are hosting a fundraiser dedicated specifically to the Lions Eye Foundation—and we need your support to make it a success. The Oakdale and Waterford Lions Clubs have joined forces to present an exciting Fall Oktoberfest Concert and Dinner on Saturday, **October 4**, from 5–9 PM in Waterford, CA. The evening will feature:

- A delicious tri-tip dinner
- A no-host bar with beer and wine
- Live music by the Valley Groove Band—a talented group known for playing classic hits from the '60s, '70s, and '80s at wineries and breweries throughout the Valley
- Raffle prizes and fun activities throughout the evening

To help cover event expenses—such as the band, food, permits, security, and more—we are asking each club in our district to contribute \$200 and a raffle prize. In appreciation of your support, we are pleased to offer four event tickets to your club, upon request, which you may use for a raffle or to recognize deserving members. Please make checks payable to "Oakdale Lions Club," with "LEF Concert Event" in the memo line. Mail your contribution to this address:

Tom F. Mihok, O.D.
Lead Trustee for Lions Eye Foundation 4-A1
409 Solmar Court
Oakdale, CA 95361

Your support will not only help us host a fantastic event, but also ensure that any remaining funds go directly to the Lions Eye Foundation and its mission to preserve sight for those who need it most. As Helen Keller once called us, we are the "Knights of the Blind." Let's live up to that legacy—by coming together, having fun, and making a real difference in our community and beyond.

We cannot do this without you. Thank you for your continued service and support.

~ Tom F. Mihok, O.D.

LIONS NEWSLETTER MONTHLY COMMUNITY PARTNER EDITION

The goal of the newsletter is to attract and nurture community partners that will ultimately have a collaborative working relationship with your club. These "community partners" can be businesses, non-profits, local government, schools, and even individuals. The unifying factor is these "partners" have a shared mission to one of the eight Lions' Global Causes, district projects, or clubs' signature activities. By experiencing who Lions are and what we do firsthand, the evolution between "partners" and new club members should develop organically. Don't let Lionism be the best kept secret! If you don't feel comfortable bragging about yourself, send us an email, and **we will** brag on you!! Deadline is the same as our regular newsletter – the 25th of each month.

We will officially launch on July 1, with the beginning of the new term; but we will have a preview edition (for feedback) available in the next week or so. That advance edition will be going out to all presidents, secretaries, and marketing chairs for comment.

Be a part of this exciting new venture -

- 1) Please add Diana Ringer (dianaringer@icloud.com) to your distribution lists so she can get copied on all newsletters / community event fliers. The newsletter will have **Upcoming Events (next 30 days) | Save the Date (2-6 months)** sections for advertising upcoming public events.
- 2) Send personal stories about how our district projects/ Lions International causes have impacted you or the people

you served. Testimonials, quotes, proud moments (1-2 paragraphs) are welcomed. Don't forget to add relevant web-ready photos as well.

- 3) Have something you would like to contribute, even if you missed the deadline? No worries! We are developing a dedicated website with expanded editions of the newsletters which will showcase additional content. Send your blog post / photos to [Diana Ringer](#), the site's webmaster, and she'll take it from there.
- 4) If you have the names and email addresses of community partners that we can send the newsletter to directly, please send those to [Gail Cates](#). Please include the contact's first name, last name, business/non-profit name, email address, and your club's name. (We will be sending them a separate email, confirming if they want to get it.)

Message from DISTRICT GOVERNOR MATT STICKLER

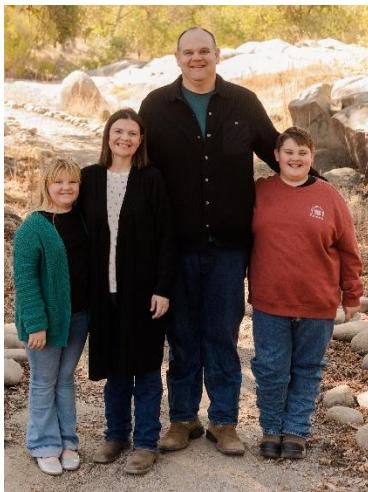

Happy July, Lions of MD-4A1!

I can't believe the time is finally here — what a journey it has been! After two years filled with growth, service, and connection, I'm honored and excited to officially step into the role of your **2025–2026**

MD-4A1 District Governor.

These past two years have been incredibly rewarding. I've had the privilege of getting to know so many of our clubs and witnessing firsthand the resilience, heart, and dedication that make this district shine. It's been inspiring to watch our clubs evolve, grow stronger, and adapt to the needs of their communities.

I'm deeply proud to share that I am the **first elected District Governor from Madera — and the youngest in the 78+ year history** of MD-4A1. This milestone is not mine alone; it's a reflection of the support, passion, and vision that each of you brings to our district.

Now, if you haven't heard yet — you're getting a 4-for-1 deal this year! Alongside me is my incredible partner in service, **Cabinet Secretary Maggie**, and our two Cubs, **Glenn (GR) and Kinsey**. They've stood by my side from the very beginning, sharing in the vision of service that Maggie herself grew up with.

Her father was a Lion, and together we are passing on those same values of community and compassion to our children. It's never too early to learn what it means to give back.

Our theme this year is: **"Serve from the Heart"** — inspired by our hometown, Madera, the heart of California. We will strive to **meet in the middle**, just like the iconic palm and pine that greet travelers on the [highway] 99. Whether you're from the mountains or the valley, we are one family, united in service.

I am committed to making Lions a **family-friendly organization** where Cubs, Leos, Omegas, and Lions work hand-in-hand. When there is a need, you'll find the whole Lion family answering the call — together.

My goals for this year include:

- Continuing the momentum of our district's three-year plan
- Supporting club growth and membership development
- Offering comprehensive training for Presidents, Secretaries, Treasurers, and any member ready to lead
- Encouraging **100% club participation in LCIF support**

And yes, I'm putting a challenge on the table! If MD-4A1 raises **\$70,000 for LCIF**, I'll show up to the convention in a dress. If we reach **\$80,000**, I'll add **high heels** to the look — and let me tell you, finding size 15 heels will be quite the "feat!"

Our cabinet is here to support YOU — our clubs, our leaders, and our members. We want to see 4A1 stand out across California. If you ever need assistance, have a question, or want help with anything from training to project support, **we're just a phone call or email away**.

Let's make this a year to remember — **serving with heart, as one Lion family**.

In service,

~ Matthew "Matt" Stickler District Governor 2025–2026

EL CAPITAN HIGH SCHOOL LEO CLUB

El Capitan High School Leos saved the day. When the Atwater-Winton Lions Club learned that they were short on help for the 75th Anniversary fundraiser, they put out a call for help from the ECHS Leos. With three days' notice, the Leos put together an eight-person crew and saved the day. Job well done Leos!

The El Capitan High School Leos prepared and served a super tasty meal at the D Street Shelter. Complimenting their original "El Cap Chicken Salad Sandwiches" with potato salad and a fresh fruit salad, they topped off the dinner with ice cream treats provided by Lion Anne-Marie. Anne-Marie made sure there was enough ice cream for the Leos to enjoy post meal.

Lions Anne-Marie and Gary, with wife Cheryl, accompanied the ECHS Leos on their end-of-the-year field trip to San Francisco on June 10th. The exhilarating day included a group walk across the Golden Gate Bridge, a shopping and dining visit to trendy Sausalito, a ferry ride from Sausalito to the SF Ferry Building, and a visit to Golden Gate Park's Botanical Garden. As a bonus, the bus ride through the city featured interesting perspectives of many of the architectural highlights of the "City by the Bay." ~ Gary Eno

President Lion Sandra and Secretary Eugenia are dedicated to excellence, expanding their knowledge of Lions International through a comprehensive Zoom webinar.

June 5th post on Instagram: Happy World Environment Day from LEO-LIONS! Today marks the start of our

mission to make a difference. A reminder that we collect pull tabs to support families at Ronald McDonald House, recycle plastic bags into benches, and refurbish prescription glasses for those in need at our Health Fair. Get in touch to learn more or schedule a donation pickup!

[June 3rd] was an amazing day! We visited our sponsoring club, Stockton Delta Pacifica Lions Club, and were blown away by their warm welcome and valuable insights. Plus, we're excited to support their fundraiser! All in all, a fantastic night with incredible Lions members.

All-Star Football Game (Lou S): Lou thanked all the Lions, Leos, staff and all the other organizations for a job well done. It was a very successful event. \$18,000 were given in scholarships. The Blue Team won the girl's flag football game. The South won the boy's game.

Installation Ceremony (Michael B): The evening went well.

Thank you to Matthew and Maggie Strickler, the new District Governor and Secretary, for performing the installation ceremony.

The theme of the ceremony was "heroes." Photo is of some of the installed officers wearing hero's masks.

Left photo: Receiving Lions of the Year awards were Kevin Swartwood and Lou Souza. Shown here with Robyn Piro. Right photo: Immediate Past President James Zimmerman received honors for a job well done. Merced Breakfast Lions fed the homeless at the D St. Shelter on June 22. Thanks to Kent C., Michael L., Ray W., Lou S., Vince P., Robyn P., and Nancy R., who prepared the tri-tip sandwiches.

The El Capitan High School Football Team [Boosters] is running the **fireworks booth** licensed to the MBLC this year. It is sponsored by us at Main St. and "R" Street by Grocery Outlet. This is the first time we have had this partnership in running the fireworks booth now that Merced Aquatics has withdrawn. Please sign up for one of the work periods by emailing Xavier at xramirez@muhsd.org. It takes all our help to successfully serve the community.

Gary reported on the **Leos Appreciation Day**. Students said it was "cold," but they had a great time. Fifteen different Lions attended the event to show their appreciation for our Leos. Mark reported on the **Homeless Dinner**. He thanked the Sharps for opening their home. He said there was good attendance.

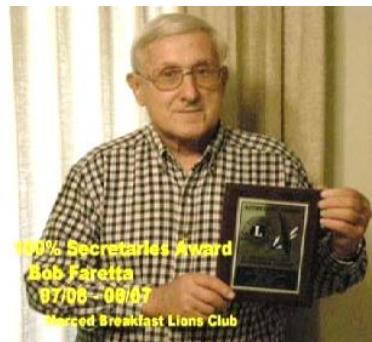

Bill Halpin reported on **scholarships**. Various Lions will attend the Scholarship Nights at the local high schools. The club awarded \$11,000 to local students. Bill Halpin introduced this year's Jack Rowe scholarship winner Chase S., Dave's son. He then presented him with a \$1000 scholarship check.

Mike and James cooked for the homeless.

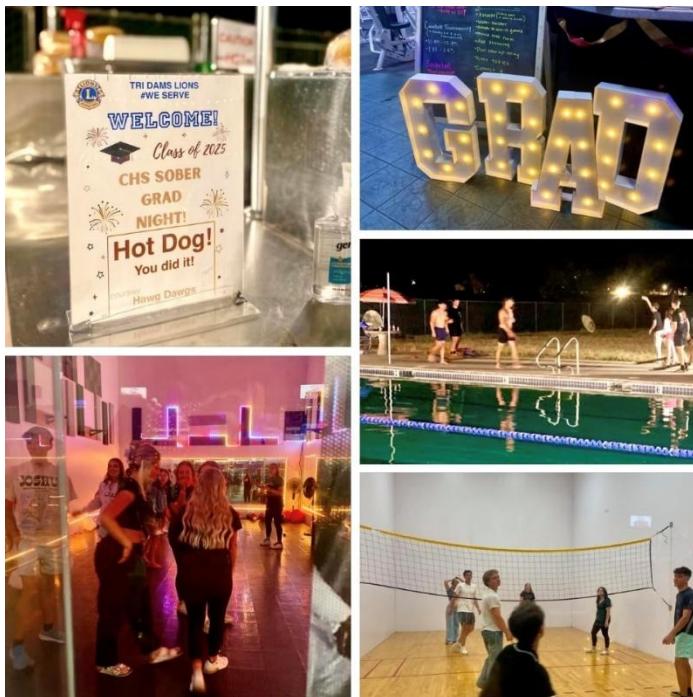

With the help of the Merced Cub Scout Pack 96 and Boy Scout Troop 88, five Memorial Day flags were placed at the residences of Richard Maddox, Air Force, (Lion Debby), Jim Weaver, Navy Veteran, (Former Member Golden Lions Club), Lion Lou Mondo, Army Veteran, Lion Gary Eno, Navy Veteran, and Toby Masterson, Army Veteran. As Merced Breakfast Lions Club members, we commemorate Memorial Day and pay tribute to our Veteran club members and to all brave men and women who defend our homeland, liberty, and principles. The club received a certificate of appreciation from the San Joaquin Lions Club for our participation in "Bags for Benches, Round 6."

It is with great sadness that we announce the passing of Robert Wayne Faretta. Bob was born on March 13, 1938 and passed away on June 7, 2025. Bob was a member of Lions for 59 years. Bob was an advocate for many causes. Most notably, he served tirelessly collecting eyeglasses for The Recycle Eyeglasses Program and collecting money for the City of Hope. Bob was best known as a long serving club secretary. Ray Wenham, the current club secretary, said, "Bob was the ultimate secretary the club ever had." We will miss you, Bob. A Memorial Mass for Bob will be held Thursday, **October 2, 2025** at 11:00 AM at St. Patrick's Catholic Church, 671 East Yosemite Avenue, Merced. Following the Memorial Mass will be a reception at 12:00 PM at St. Patrick's. Bob will be laid to rest at San Joaquin Valley National Cemetery, 32053 West McCabe Road, Santa Nella, CA.

TRI DAMS LIONS

For the Lions' global cause of "Youth", the Tri Dams Lions have been proactive in promoting and supporting the health, well-being, and fun times for our local youth. The Tri Dams Lions were pleased to partner with Valley Springs "Power Up Fitness" professional gym on the

SOBER GRAD NIGHT event for Calaveras High School. We were present at the event from when the graduated seniors arrived at 9:00 PM until 2:00 AM with our fully-functioning hot dog cart, snacks, and a music system in the pool area of the gym! We appreciated the opportunity to support our local high school seniors in this fun and substance-free celebration!

Also, for the Lions' global cause of "Youth", the Tri Dams Lions awarded two \$500 **scholarships** to two seniors graduating from Calaveras High school. A total of 52 applications were submitted, and the Tri Dams Lions' Scholarship Committee members of Lions Greg Morrill, Janice Bassett, and Ron Bassett conducted a thorough, thoughtful and fair review of each one. Students Kaylie A and Ashlee S were awarded the scholarships based on their inspiring and substantial essays. Lion Greg Morill presented the awards at the high school's awards night ceremonies.

IT'S HERE!! For our Community Safety and Awareness mission, Tri Dams Lions is partnering with San Joaquin Dog Training Club to host the annual - and very popular! - **Canine Rattlesnake Aversion Training** at the Burson Community Center on **July 11 & 12**. The rattlesnake trainers are paid professionals that the San Joaquin Dog Training Club brings in to provide this valuable training. Having the event at the Burson Community Center allows our community to have this class right here in -what is indeed- rattlesnake country, rather than our residents having to travel longer distances for it. See [FLIER](#) for details.

TRACY BREAKFAST LIONS

Tracy Breakfast Lions has a new President. Oops, he not a new one, he's our current president re/elected from

We will be hosting the annual **4th of July** Pancake Breakfast in the Park again. Last year, as in the past, we served between 700 and 900 people that started lining up at 6:00 in the morning. This is a tradition that goes back over 20 years and gets stronger every year. It was \$6.00 per person for pancakes, sausage, coffee, orange juice, and a bunch of Lions happy to serve. [FLIER](#)

PATTERSON LIONS

The Patterson Lions began the month of June recovering from our annual Chicken BBQ during the Patterson Apricot Fiesta on May 31. We cooked and sold almost 500 chicken dinners. This is our club's longest standing fundraiser, and the community looks forward to it every year!

On June 17, we traveled to Thomas Downey High School in Modesto to feed the All-Star Team dinner after their practice before the big game in Tracy on June 21. The kids, and coaches, enjoyed some world class pulled pork and mac and cheese prepared by Lions Scooter and Chris. Many kids came back for a 2nd helping, and a few even came back for a 3rd!

At our board meeting on June 18, Boy Scout Troop 81 served the board members some of their famous apricot ice cream that they sell during Fiesta as a thank you for all we do to support them. We didn't get any pictures because we were all too busy eating!

As we end another successful Lions year, we want to thank everyone for your help and support. Good luck to everyone in the coming year, especially all the new club and district officers! ~ Shawn Monnin, Marketing Chair

Our senses came alive at Calaveras Big Trees June 21st! What a beautiful break from the city, as we reflected among the giant sequoias with good friends. A huge “thank you” to the Arnold Lions Club for co-sponsoring our trip for the blind to the “Three Senses Trail” in Arnold, CA.

Renovating this trail was a legacy project spearheaded by Arnold Lions - with a grant from Lions Clubs International Foundation - and supported by our District 4-A1 Lions Clubs - and many community partners. We will never forget Arnold Lions’ legacy of kindness, community service, and this amazing experience for the blind. Special thanks also to O&M and Braille Instructor, Denise Ferrin, for providing her excellent guidance. #HelenKeller100
