YOUTH PROTECTION COMPLIANCE

All Club Presidents, Secretaries, and Marketing Chairs received an email on July 22nd regarding the MD4 Youth Protection Policy, which states that by **July 31, 2025**, all California Lions Clubs must complete a "MD4 Youth Service Compliance Form." This form must be completed annually, even if your club does not participate in any youth service programs/activities wherein you have club members or volunteers who have direct contact or supervision of minors for 16 hours or more per month or 32 hours or more per year.

As of 8/24/25, I have received compliance forms from **Bass Lake, Ceres, Copperopolis-Lake Tulloch, Denair, Escalon, Gustine, Jackson, Lathrop, Linden, Livingston, Mariposa, Merced Healthy Leo Lions, Modesto 500, Moke Hill, Murphys-Angels, Oakdale, Patterson, Sonora, Stockton Delta Pacifica, Stockton Host, Stockton San Joaquin, Sutter Creek, Tracy Breakfast, Tracy Tank Town, Turlock, Upcountry 88, and West Point Lions Clubs.** **Stockton Healthy Leo Lions Club** is pending a live scan. **THANK YOU! We still have 22 more clubs that need to submit the required Youth Protection Compliance forms.**

For detailed information, please refer to this website: <https://md4lions.org/youth-protection>.

The typical youth service programs that Lions Clubs are involved in that may have volunteers that have direct contact and/or supervision of minors for 16+/32+ hours include, but are not limited to: school-based and non-school-based Leo Clubs, Lions Youth Exchange, scholarship programs, youth camps, mentoring, and literacy programs.

School-based Leo Clubs that meet on the school site, have a faculty School Advisor, and follow the California school district clearance policy and procedures are exempt from this policy. The Leo activities in these Leo Clubs are considered a school-based activity. A

verification letter from the school district identifying the Youth Advisor and the name of the Leo Club is required for MD4 records. Lion Club volunteers who assist the Faculty School Advisor, and meet the 16+/32+ hour threshold, must comply with the Youth Protection Policy. Non-school based Leo Officers and volunteers who meet the 16+/32+ hour threshold are not exempt from this policy.

Please call me at (209) 640-8612 or email at debbihopman@gmail.com if you have any questions. Again, thank you to the clubs that have submitted the required MD4 Youth Service Compliance Form.
~ Debbi Hopman, District 4-A1 Youth Protection Officer

MD4's YOUTH CAMP EXCHANGE

<https://sites.google.com/view/md4lions-yce>

Dear Lion Doug Campbell,

Hi, this is Elizabeth. I wanted to express my sincere gratitude for your support in helping me join the Lions International YCE program in Tokyo, Japan.

This experience was truly something special, something I never could've imagined without your help. I learned so much, not just about Japan, but also about myself. My host family welcomed me with such warmth, teaching me about their religious beliefs, family traditions, and even how to cook some of their favorite recipes. I brought back some ingredients and made miso soup for my family. It was a fun way to share a piece of the experience with them. Being part of their daily life gave me a whole new perspective.

I had the chance to visit beautiful temples and learn about Tokyo's rich history. I even went to a summer festival where I got to wear a yukata, and it was so fun! I got to play some traditional children's games that reminded me of a carnival. One of the coolest things was learning how to play the *koto* with my host dad. It's kind of like a guitar, and it was such a unique experience; especially since I have never played an instrument before. We also went to Mt. Takao together, which was a great bonding moment for all of us.

At camp, we attended a morning service at a temple, which was both peaceful and eye-opening. I enjoyed all the team-bonding activities, which brought us closer together and made the experience even more memorable. One of the highlights was visiting Shibuya and seeing the Tokyo Skytree. Standing at the top and looking out over the city made me realize just how small we are in this big world. Oh, and we also went to Mount Fuji and explored a famous ice cave, which was so refreshing, and got to escape the heat for a bit. :)

One of the best parts was meeting other Leos from around the world. We shared our cultures, discussed our countries, and even engaged in some in-depth conversations about politics and how things work in our respective countries. Saying goodbye was, honestly, really hard because we all became so close in such a short time.

I'm incredibly grateful for this opportunity. It's something I'll carry with me forever, and it wouldn't have happened without your support. I really hope more Leos get to have an experience like this; it's truly once-in-a-lifetime.

Thank you again for everything you did to make this happen,

Message from **DISTRICT GOVERNOR MATT STICKLER**

Dear Club Members,

I hope this letter finds you well and enjoying the delightful arrival of September! Can you believe it's already Pumpkin Spice

season? Time has flown by, and I'm thrilled to share that the start of this year has been both productive and inspiring. I'm optimistic that the months ahead will continue to bring joy and success to our clubs.

Our Cabinet Secretary Maggie is already hard at work, reaching out to clubs and organizing District Governor Visits based on your feedback from last year's evaluations. Many of you expressed a desire to see more of our Cabinet members, and I'm excited to share that we have extended an invitation for all Cabinet members to join us on these visits. This is a fantastic opportunity for

you to connect and interact with the leaders of our district! Once Maggie finalizes visitation dates with clubs, you'll be able to see all the details on the [District Calendar](#) that is available on our MD4A1 website under the "What's Happening" tab. This will not only allow you to track my visits (ha, ha) but also give you insights into the wonderful events and activities happening across our district.

In my last communication, I highlighted our goal for LCIF, and this month, I'd like to focus on membership. As of August 6th, our district stands at 1,661 members, and our aim is to reach a robust 2,000 members soon. With 48 clubs in our district, that translates into welcoming seven new members in each club. I am excited to introduce the concept of the "Lucky 7" — these fortunate new members will join us during the 1.5 challenge and the 2025-2026 year.

The Lucky 7 will bring fresh ideas, build amazing friendships, and gain the guidance and confidence to lead right from the moment they join our clubs. Together, we will grow MD4A1 into the vibrant and impactful community we aspire to be, ensuring we are no longer the best-kept secret in service. Let's encourage the Lucky 7 to "Serve to Lead, Lead to Serve" and to create meaningful change in our communities.

Rest assured, I, along with the Cabinet, PCC Claudia, and your Zone Chairs, are here to support you and to help facilitate the growth and vitality of our clubs. Please don't hesitate to reach out to us whenever you have questions or need assistance.

Wishing you all a wonderful fall season, filled with exciting projects and camaraderie - **serving with heart**, as one Lion family.

In service,
~ Matthew "Matt" Stickler

TRACY TANK TOWN LIONS & OTHERS!!!

Tank Town Lions partnered with San Joaquin Zone 2 Clubs to participate in the Family Promise Fun Festival on August 9th. **Stockton Host Lions**, along with **Stockton San Joaquin Lions**, cooked hot dogs with all the fixings. Tracy Tank Town Lions, along with **Lathrop Lions**, served the hot dogs with chips, fruit snacks, and water. Thanks to **Stockton Delta Pacifica Lions**, **Tracy Breakfast Lions**, **Tracy Tank Town Lions**, **Stockton Host Lions**, **Lathrop Lions**, and **Stockton San Joaquin Lions** for your monetary contributions. Together, we made the dream work. Over 350 people ate and received free food from the Stockton Food Bank. They were able to get literature about diabetes prevention; children were able to do arts and crafts--it was truly a fun festival.

TRACY TANK TOWN LIONS

While many families are "moving" their college students in their dorm rooms, Tracy Tank Town Lions Club had their own "move in" day! And, when we were done, we were ready for football concessions! First, the concessions stand was cleaned from top to bottom. Next came the racks, supplies, and food. We are ready for West High School Football! Go Tank Town Lions!

1--Our flag banner was found!

2—Rose was busy cleaning before we could move in.

3--Move in day begins--everything needs to come out of the storage trailer!

4--Everything comes out of the trailer and is loaded on carts--let the move in begin!

5--It's not as simple as it looks--the parking lot is a long way from the concessions stand!

6--This is not our first "move in"! Storage bins are a big help.

7--Inside the storage room of the concessions stand. YES, we have nacho cheese!

8--Thank you to our crew--Derrick, Lilia, Lou, Rose, and Jane.

TURLOCK LIONS

Lions, the slow time is about over. We have a few weeks left to the return of concert season at the end of the month. We have four concerts in a month, starting at the end of August, so we will surely be quite busy. [...]

I would like to share our condolences to the family of Lion Don Nordell with his recent passing. While most of his time was long before my time with the club, I have been informed of the many years of service, many great stories, and a true lion at heart. Please keep him and his family in your prayers during this tough time.

~ King Lion Paul

Memorial donations can be made in Don's memory to the Turlock Lions Club to support Lions Club community projects. Send donations to Turlock Lions Club, PO Box 512, Turlock, CA 95381.

August 7 Meeting – Our Guest was Victoria from Sober Grad. [She] requested help with BBQ at five games at the Turlock High School. Of course, TLC will be there! Thanks to Lion Manuel Drumonde for sponsoring the attending members' meals. He also encouraged all life members to sponsor a dinner in the future. Thanks, also, to Lion Rafael Vega for sponsoring our beverages. Please know your generosity is greatly appreciated. Thank you to the TLC members who supported the **Hilmar Lions** Car Night event. At the Stanislaus County Fair, the Destruction Derby went well. See Immediate Past President Ryan Downey to purchase a Club hat for \$25.00. Reminder that there are still more concerts. Please plan to volunteer and help park all those cars!

PATTERSON LIONS

Patterson Lions will be celebrating 100 years since Helen Keller challenged Lions to be "Knights of the Blind" by hosting a Dining in the Dark FUNdraiser on **October 25**. Since Helen Keller challenged us back then, Lions across the world have been a global leader in vision care. From sight-saving surgeries and eyeglass recycling, to vision screenings and blindness prevention and education, Lions have worked tirelessly to bring the gift of sight to those in need. Hundreds of millions of lives have been changed through Lions' vision-related work globally. Lions around the world remain dedicated to working to end preventable blindness and to improve the lives of the visually-impaired.

During the dinner and presentations, you can put on the mask we supply to sense how those with vision difficulties experience everyday tasks many of us take for granted. Wearing the mask during dinner is not mandatory, but it is encouraged. The lights will never be turned off in the room on purpose for everyone's safety. This will be one of our major fundraisers for the year so that the Patterson Lions can continue to do what we do for our community. All the money raised by this event is used in our community. Tickets are \$85 each.

Do you or your business want to sponsor a table of eight? Do you have an item or service you want to donate for our auction? Do you want to buy tickets for a wonderful night out supporting a great local cause? Seats are limited, so don't miss out.

DOS PALOS LIONS

I'm pretty sure many in the community, are asking "When is the Cotton Festival?" I would like to inform the community that, unfortunately, Dos Palos will not be having a Cotton Festival this year. This is something that is out of the control of the city, as well as the Lions Club. The understanding is that the county received a grant to remodel the park and the remodeling process is going to begin between August and September of this year. Neither the city, nor the Lions Club had any control of when the contractors that won the bid would start the remodeling work at the park. According to information, the remodeling work will take approximately 8 to 10 months; which then, will give us time to have our Cotton Festival next year, in hopefully a new-looking, remodeled park. I understand how important this Cotton Festival is for our community, but unfortunately, there is nothing we can do now at this time. Hopefully, the support from our community is there to have a good, bigger, and better Cotton Festival in 2026. Once again, on behalf of the city, as well as the Lions Club, I apologize for any inconvenience.

UPDATE: The Miss Dos Palos Pageant will still be taking place at the Dale Hale Hall on Sunday, September 14, 2025 at 1PM. For any info, contact, Shelley Wright.

For twelve years, Don has maintained the collection of about 300 flags that the Oakdale Lions post every holiday. Don and his crew purchased, retired, fixed the flags, scheduled the flag placing crews, and maintained the flag holes found along our main streets.

Well deserved retirement from this huge job. Don, we love you and appreciate you for this amazing service!

It is with heavy hearts that we share the passing of longtime Escalon Lions Club member, John Largent.

John dedicated over 50 years of service to the Lions Club and to the Escalon community. His commitment, kindness, and sense of humor left a lasting impact on all who had the privilege of knowing him. He was not just a member—he was family.

We will miss his stories, his steady presence, and the way he always showed up with a helping hand and a humble heart.

Our thoughts are with his family and all who loved him. Rest in peace, John. Thank you for everything.
