### GLASSES – PULL TAB PICKUP ANYWHERE IN DISTRICT 4-A1

Recently, the boundary for picking up of **glasses, pull tabs, and ink cartridges** has been extended to include all of District 4-A1 – from Lodi to the Yosemite Zone – From Up-Country to North Fork. All that is needed are at least 25 pairs of glasses, maybe some pull tabs, and a phone (to call me).

The first part is easy, but you must want to do it. Folks around Linden have contacted the local eye doctors and have established a monthly route that nets 100-150 pair per month. The hospitals contribute a like amount. The **Linden Lions Club** has a central box for members to put the two or three pair of glasses they might have. Results: 300-400 pairs of glasses per month for Linden. Who knows what this type of plan or any variation would bring your club?

Pull tabs will be picked up with the glasses - but please **keep them separated**. Several clubs (Including Linden)

have tailored **containers** for their pull tabs. **If you want one**, please let me know, and I'll try to get you one. I'll take the pull-tabs and leave you the containers. Last month we took more than 300 pounds, or about 30 nights of residence, for family members of patients at the hospital for Ronald McDonald House in Sacramento. We will be **serving lunch** to these folks again on **November 18**. If you would like to join us, contact me at the number listed below.

The second part is just as easy as the first. Grab a phone and call 510-910-3755. This will put you in contact with Paul Wagner who will schedule a pick-up with you at your location.

Remember-Every pair counts when we have needy kids. CALL ME! ~ Paul Wagner 510-910-3755

## CALIFORNIA LIONS CAMP

## Audrey's 12<sup>th</sup> Annual SOCK DRIVE

In memory of Audrey Long, who started this drive 12 years ago, I will once again be collecting socks to be hand-delivered to St. Mary's Dining Room the week before Christmas.

St. Mary's Dining Room is an interfaith community service organization that provides services such as meals, clothing, medical services, counseling, and more to the homeless. If you would like to participate this year, I will be accepting donations in the form of new socks or a check. If you send a check, I will purchase socks and mail you a tax-deductible receipt along with a picture of what your donation has purchased.

Organized by: Lew Brown  
Cell #: (209) 283-9517  
7210 Stabulis Rd.  
Valley Springs, CA. 95252

DONATIONS WILL BE ACCEPTED THROUGH DECEMBER 15, 2025

Please save your socks for Audrey's Sock Drive For the Homeless.

California Lions Camp donated \$15,000 to Tuolumne Trails Camp. Their mission is devoted to helping those with disabilities and those who support them by providing an accommodating environment for healing, respite, education, and recreation. The donation was used to purchase a "golf cart" to enable those with physical challenges access the camp, as well as a shower chair. We met with camp founder, Jerry Baker, who led us on a tour of the over 80 scenic acres in the Sierra Nevada Wilderness in Groveland.

### MD4 CALIFORNIA LIONS MARKETING OFFERS PERSONALIZED CLUB LOGOS

**Lions Club Personalized Logo Available Now!**

Free Custom Logo Support for Lions Clubs -  
Offered by Lions Jennifer Simpson and PDG John Schroeder.

In response to a growing number of Lions Clubs being flagged or locked out of Facebook due to copyright issues surrounding the official Lions International logo, Lion

Jennifer is offering a free logo customization service to help clubs protect their digital presence and build a stronger visual identity.

"Even though we know these flags are incorrect, it's still impacting clubs," said Lion Jennifer. "That's why I'm offering to help clubs develop a unique, club-branded version of the Lions logo that still honors our global brand but adds local flair."

Clubs are encouraged to reflect on their unique identity and service strengths—whether they're known for their youth outreach, environmental cleanups, diabetes education, or local partnerships—and share that with Lion Jennifer to create a distinctive logo they can proudly use on social media, flyers, and event banners.

This free service is available to all Lions Clubs worldwide.

## MD4 MARKETING ANNOUNCEMENTS

### LINKS TO [WEBSITE](#) and [CALENDAR](#)

[Multiple District Four](#) is proud to come alongside Lions who are promoting the mission and passion of Lions through service, and we have scheduled several events to support you specifically.

**Masterclasses:** Starting October 1, we are launching a series of monthly, live online

trainings called "Masterclasses" where subject matter experts will teach and train attendees on a variety of marketing and technology-related topics. Attendees are encouraged to attend the live events, but replays will be available. Our schedule over the next few months includes:

**November 18:** 7:00 pm-8:00 pm - no cost - zoom

MD4 Masterclass Series #2 Topic: *Lions for Access Lions for Access + You Bringing People Together* Hosted by Lion Jennifer Gass, MD4 Access Team Leader Strategic Leadership Opportunity - Register Now Meeting Registration - Zoom contact Marketing, [CALionsClubs.org](http://CALionsClubs.org) 209)471-8059 Lion Diana Ringer [View Flyer](#)

**December 4?** District Newsletter Training with Lion Gail Cates. Lion Gail will be sharing practical tips, tricks, and strategies to create an effective and engaging newsletter. Much of what she will be sharing is directly applicable to club newsletters as well. The remainder of the 2025/2026 Masterclass schedule will be announced in December, so stay tuned!

**Posting Parties:** MD4 will be hosting monthly posting parties that help individuals and clubs multiply the reach and impact of their social media posts. When working together as a coordinated group, the simple acts of taking a moment to *like*, *comment*, *share*, and *follow* Lions-related posts and pages, will trigger the algorithms to show the posts to more and more people in the community. That simple exposure can result in

new community members wanting to get involved in Lions-led service projects, and potentially joining Lions as a new member. Posting parties are an important, COST-FREE strategy that can be applied to any social media platform. MD4 posting parties center around Facebook and Instagram engagement, but once people understand the model, it can be deployed on any social media platform.

**MD4 Marketing Hours:** In an effort to serve you better, and give predictable access to the marketing team for California Lions, the Marketing Team will be holding office hours on the last weekend of the month. Saturday's hours are 9AM-Noon and Sunday's hours are 1PM-4PM. Registration is required, preferably the day before you want to drop in, so we can ensure proper coverage. The drop-in hours are available for any Lion engaged with Marketing on the local, district, or state-level. **For more information on any of these activities and more, please visit the [MD4 Marketing Page](#).**

It's hard to believe that an estimated 600 million pair of shoes go into America's landfills every year! 100% of these shoes can be recycled and the majority of these shoes can still be reused. That's why the San Joaquin Lions Club decided to start a sneaker drive fundraiser with [GotSneakers](#). The sneakers that we collect through the GotSneakers program will help us raise much needed funds AND will keep sneakers out of landfills. Talk about a win-win! Can you collect 15-20 pair of sneakers to help us out? With your help, we can achieve great results! If you can't collect 15-20 pair, don't worry. Just collect as many pair as you can. ## BASS LAKE LIONS

The Bass Lake Lions will have a food drive between **November 1st and the 15th**. See the Leo section of this newsletter for an article about our Yosemite High Leos!

On October 4, 2025, two Yosemite High Leos, along with three Bass Lake Lions, visited the Majestic Mountain Care Center to help spread some joy to the residents and staff. The five individuals visited the residents in their rooms and in the lobby to say "hello" and allow them to pet the two dogs they brought. Many enjoyed the visit from the Lions, Leos, and their pets with many petting the dogs and telling stories about their pets. Meanwhile, the Bass Lake Lions also brought some delicious pastries for the staff, to show appreciation for their service.

The Bass Lake Lions along with help from two Yosemite High LEOs sold cotton candy at the Pines Halloween Festival on Saturday, October 26, 2025. The cotton candy (at the low price of \$3.00) was a big hit with the youngsters in their Halloween costumes. The Pines' event included several bounce houses, pumpkin and face painting, a wildlife presentation, food, and music. Next on the agenda is a visit from our district governor on November 1st - and our Annual Hot Chocolate Give Away at the Pines Winter Parade on **November 29, 2025**. We will also be selling cotton candy at that event to raise funds for scholarships and local charities.

In Memoriam: Lion Eugene D. "Gene" Birk

It is with heartfelt sorrow that Lions District 4-A1 honors the memory of Lion Eugene D. "Gene" Birk (August 6, 1936 – September 27, 2025), a beloved member of the Tracy community and a steadfast champion of service. For decades, Gene embodied the very spirit of Lionism — leading with humility, compassion, and a deep love for helping others.

A lifelong advocate for local charities and community programs, Gene was instrumental in organizing countless fundraisers, service projects, and youth initiatives that strengthened the fabric of our district. His warm smile, calm leadership, and unwavering dedication inspired generations of Lions to serve with purpose and heart. As we remember Gene, we celebrate a life lived in true service to others — a legacy that will continue to shine in the lives he touched and the community he helped build. Our deepest condolences go out to his family, friends, and fellow Lions. *"Well done, good and faithful servant."*

## MODESTO 500 LIONS

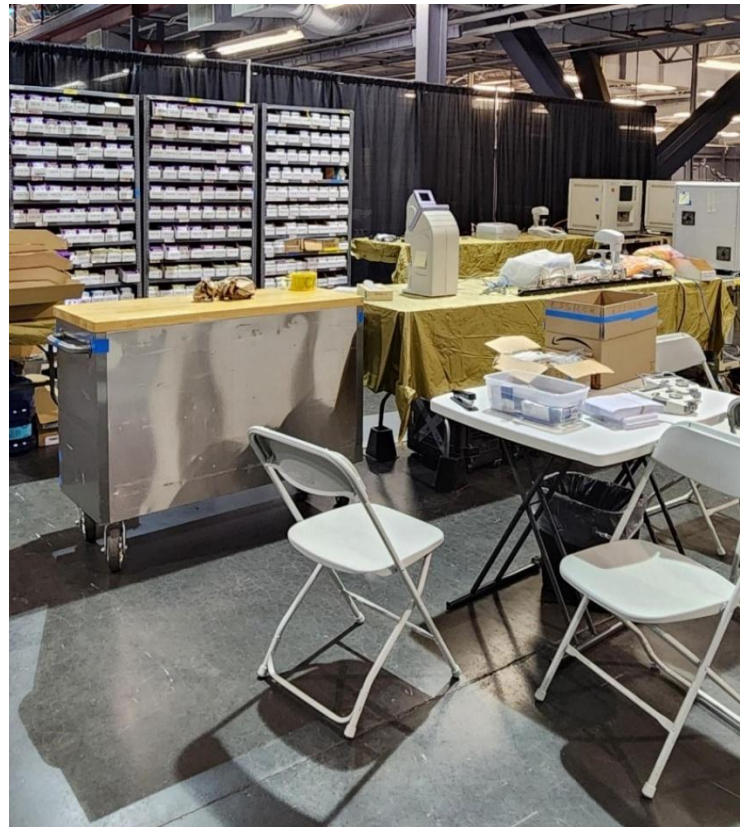

**Club Meeting Recap-October 7** - PDG/Secretary Claudia shared some tips about mental health, a practical guide for everyone. The tips included not only ideas on how to aid our own mental health, but also how to help others who may be dealing with their own - including best communication methods. It was a good learning experience!

**California CareForce**, a charitable organization that promotes the health and well-being of those in need through volunteer-supported, no-cost healthcare clinics throughout California, held a medical/dental/optical event in Sacramento, October 10-12 at Cal Expo in Sacramento. PP Robin attended for all three days and served in the dental area (she works in a dental-related field) but also helped a little in the optical area. Overall, 791 people received free dental care (including some dentures), 437 [received] medical [care], and 404 [received] vision care (glasses fitted onsite) - for a total of \$730,507 worth of care for those in need. She had the chance to reunite with others who had also previously served at many other free dental events, which made the event extra meaningful - as was the gratitude of being able to help so many!

We recognize that not everyone can attend (or wants to attend meetings), but everyone cares about service. So, to make things easier for club members and to continue our service to the community, we are relaunching Charity of the Month. The charity for October will be for the Children's Crisis Center. Items needed:

**Food Items:** Canned Chicken - Canned Tuna - Assorted Baby Food - Canned Fruit and Veggies

**Program Supplies:** Multifold paper towels / Vinyl Gloves / Lice Shampoo / Hand Soap / Printer Copy Paper / Laminating Sheets / Paper Plates / Napkins / 8oz paper cups. [...] Please make your donation no later than Friday, **October 31**. We will be arranging delivery the first week of November.

**Salvation Army's Red Kettle Kickoff** - The Club will be participating in the Annual Kettle Kick Off Fundraiser on Thursday, **November 20th**. The Club is purchasing a table for 10. If you are interested in attending please contact PP [Gabrielle](#) to register with her. We are encouraging all club members to consider making a donation to The Salvation Army Modesto. The donation is tax deductible. We are also encouraging club members to ask friends, neighbors, and family members to make a donation too. These donations will be collected and placed in our kettle. The goal is to raise \$2,500 on average from each table. Please turn in your donation and any collected to either Gabrielle or PDG [Claudia](#). Thank you again for your service!

**Crab Feed-Update** - Oh, what a night and a good time was had by all! Thank you to club members who sold tickets, provided raffle and dessert items, and donated spirits for the bar. Special shout out to those club members who helped do set up and those who ran around like crazy that evening filling in multiple positions making the evening enjoyable for our guests. And a big "thank you" to the Boy Scout troop and their leaders who help us every year by waiting on our guests hand and foot, and clearing everything away after the event like locusts!

A big surprise was a presentation by PP Dennis Miner who awarded PP Jerry Cooper with the prestigious Helen Keller Award. Well deserved!

### **TRI DAMS LIONS**

The Tri Dams Lions Club Charity Golf Tournament was held at La Contenta Golf Club in Valley Springs on Saturday, October 4th. It was a successful day of fun competition and giving back to the Valley Springs and Burson area community! There were 14 teams of four players! A full game of 18 holes, tee contests and games, catered lunch, drawings, and silent auction made for a terrific day! *LEDGER DISPATCH* Publisher Jack Mitchell supported us actively, and he generously provided his photographic skills to capture the fun and camaraderie of the day. Jack's excellent pictures of the tournament can be found on Facebook under "Tri Dams Lions Club Golf Tournament - 10/04/25". The funds raised in the golf tournament will go toward our annual service scholarships donated to graduating senior students, costs for our Tri Dams Lions events, and the operating costs for the Burson Community Center - a gratis home to our local nonprofit groups!

The Tri Dams Lions are continuing their work on the Burson Community Center. The Center is available for use at no cost during the week by nonprofit groups. The floor has recently been refinished by professionals, and

this summer, our amazing President Kip applied for and secured a grant to go toward updates and repair of the well system! The Tri Dams Lions completed another series of Senior Planet smartphone classes sponsored by Calaveras HHSA. In addition, a local group of seamstresses and quilters, KidBiz Hub, and other community and nonprofit groups continue to hold their classes and meetings at the Center.

The Tri Dams Lions will work with a local nonprofit, HORSESPEAK EQUINE ASSISTED COUNSELING, to transform the Burson Community Center for the group's annual fundraiser - their Code Red Haunted House! The "Code Green" version is available for young children. The Tri Dams Lions are happy to support the HORSESPEAK group's community impact in the vital field of mental health.

Coming Soon!

- **November 14<sup>th</sup>** will be the 2<sup>nd</sup> Fridays Burson Bingo night. Come join us for what is always a fun night of games and laughter! [FLIER](#)
- Also, the Tri Dams Lions will mentor our aspiring new Leo club members in their first project: to create a "Free Little Library" located at the Burson Community Center.

## UPCOUNTRY 88 LIONS

**October 1st Guest Speaker:** Wilma Fortich represented [Substance Solutions for Amador Youth](#) (SSAY). Wilma described her involvement in the local program to reduce substance and promote healthy activities for local youth. Their goal is to reduce alcohol and pot use by local junior high and high school students. From 3-14% of students used pot in a recent survey - alcohol use was even higher. Pot edibles are a problem. E-cigarettes and vaping are also an issue. Some of these problems may be caused by significant chronic sadness issues faced by up to 45% of students. She is creating a "Voices of Youth Committee" made up of students to work with other students at events to address their issues in hope of reducing substance abuse.

Chris and Salina Gunn (Pine Grove's parent group president) accepted a check from President Gail for their Science Camp.

Ms. Merten, Principal at Pioneer Elementary School, accepted a donation from President Gail for their 6th Grade Science Camp.

## ATWATER-WINTON LIONS

It is with a deeply grateful tone that we share some exciting news about a wonderful collaborative project. The Atwater-Winton Lions Club is incredibly thankful for the opportunity to partner with the City of Atwater in a joint effort to purchase and plant 12 new trees at the Veterans Park. This project was a true community success story.

The club wishes to express its sincere appreciation to the many dedicated members who generously rolled up their sleeves and dedicated their time and energy to the planting effort. These new trees will soon provide much-needed shade for the spectators and athletes who use the soccer field. This initiative is a beautiful testament to the power of working together, and the club is truly thankful for the positive impact this collaboration will

have in meeting the needs of the youth in the community.

District 4-A1 Governor, Matthew Stickler, presented on the goals of the district and LCIF. His message was one of inspiration and encouragement.

The Atwater-Winton Lions Club extends a heartfelt thank you to all who supported the recent White Cane Day efforts. Club members were out in full force on Saturday, October 25th, diligently collecting donations crucial for supporting local visual assistance programs. The club deeply appreciates the management at Grocery Outlet for their generous hospitality in allowing a donation table to be set up on their premises. The success of the drive is a testament to the community's spirit and generosity.
