From the DISTRICT GOVERNOR'S DESK

Fellow Lions of District 4-A1,

Good afternoon and thank you for being here. When I look across this room, I see what makes our district strong: committed Lions who show up, step up, and serve with heart.

I want to take a few minutes to share the health of our

district and I'm going to keep it positive, because the truth is: District 4-A1 has a lot to be proud of, and we have a lot to look forward to.

First, our district is healthy because we are active. Lions across 4-A1 are out in our communities doing what Lions do best, meeting real needs, supporting local families, partnering with schools and organizations, and making our towns better. That service matters. It builds trust. It builds pride. And it reminds every one of us why we joined.

Second, our district is healthy because we have leaders at every level. Not just people with titles, but Lions who lead through action, Lions who mentor new members, Lions who keep clubs moving forward, and Lions who quietly do the work week after week. That kind of leadership is a strength you cannot manufacture. It comes from character and commitment, and we have plenty of it in 4-A1.

Now, with all that good news, here is the opportunity in front of us; and this is a good opportunity. Our next level as a district is simple: grow and strengthen.

That means two things:

One - we keep more of the great Lions we already have.

We make sure every member feels connected, useful, and appreciated. A phone call, a ride to a meeting, a personal invitation to a service project - these small acts keep Lions involved and clubs strong.

Two - we invite others to join us. Our communities need Lions. And people are looking for purpose and connection. When we tell our story and when we show what we do, people want to be part of it. Growth does not have to be complicated. It can be one invite at a time.

Here's what I believe: District 4-A1 is not struggling. District 4-A1 is building. We are building stronger clubs. We are building new leaders. We are building momentum. And we are building a district that will be here, serving and growing, for many years to come.

So, my challenge to Lions is this: keep serving, keep showing up, and bring one person with you. Bring them to a meeting. Bring them to a project. Bring them to see what Lions look like in action. Because when people see Lions serving, they understand what we already know, this is something worth joining.

Thank you for everything you do for your club, for your community, and for District 4-A1. I am proud to serve alongside you. And I am excited for what we will accomplish together this year.

Let's keep the momentum going, and let's show California what Lions of 4-A1 can do.

Yours in service,

~ **Lion Matthew Stickler**, District Governor, District 4-A1

LIONS OF DISTRICT 4-A1:

As the New Year is upon us – how about a **New Year's Resolution** to bring a new Lion (or more) into your club? **Make it a priority!** Just think about how much Lionism has meant to you! Let's bring that **Joy** to someone looking to make a difference in the life of a person in need. And watch for your January dues.

VISION NEWS

February is Low Vision Awareness Month. The National Eye Institute defines low vision as "a vision problem that makes it hard to do everyday activities. It can't be fixed with glasses, contact lenses, or other standard treatments like medicine or surgery." If you can't see well while reading or driving, or have trouble recognizing people's faces or telling colors apart, you may have low vision. Here is your personal reminder to keep an eye on your eyes and get an exam once a year!

ENVIRONMENTAL WEEK OF SERVICE

- IDEAS FOR **APRIL 18-26**

*(There is more information in the **UPCOMING EVENTS** section.)*

Trex® is refreshing the Recycling Challenge and is excited to announce that instead of one opportunity to earn a reward, Trex® will now offer quarterly drawings. This provides groups the opportunity to earn the chance to win rewards up to four times per year.

This fun, inclusive format allows every participant a chance to be recognized, while reducing pressure to meet specific collection goals. The updated program launched in January, so **new registrations are paused** until then giving everyone time to get ready for a more engaging and rewarding Recycling Challenge!

Trex® is dedicated to educating proper recycling practices for plastic bags and other soft plastic films through its

Recycling Challenge. The company proudly supports local recycling initiatives across the country by partnering with participating organizations, including K-12 schools, civic groups, houses of worship, and colleges and universities.

- 25 participating organizations are randomly selected quarterly and rewarded with a gift, valued at \$500
- Each 250 pounds is an entry into the drawing
- Each participating organization receives a gift from Trex when they reach the first 250 pounds (annually), valued at \$100

• Weigh, record, and attach pictures at my.trex.com

• Deliver the collected plastic film to one of our participating drop-off retailer locations for recycling

• [Terms & Conditions](#)

FEBRUARY WORKSHOP Feb 7th

MD4 Marketing is proud to present:

Strategic Leadership MasterClass Workshop - [FLIER](#)
February 7, 2026 10am-2pm – Follow-Up Workshop

LI has gone to great lengths to preserve and strengthen the Lions brand for over 100 years. These experts have gone to great lengths to create resources and standards that clubs and groups can leverage to represent Lions in a consistent and recognizable manner. Despite those best efforts, all too often the guidelines get blurred when trying to apply them to real world projects.

Because real learning comes from doing, we will be offering a follow-up workshop on Saturday, February 7,

from 10AM – 2:00PM. This is your opportunity to practice what we have been talking about in the first four masterclasses.

You don't need to stay for the entire time (but you are welcome to do so). Bring your real-world projects and we will help you make sure you express your club's personality and passion while staying within branding guidelines.

Let's make 2026 the best year ever!! [CALENDAR](#)

DUAL LEO AND LION MEMBERSHIPS

lionsclubs.org/en/resources-for-members/resource-center/leo-lion-faqs and
lionsclubs.org/en/member-resource-center/membership/leos-young-lions/leo-lion-program

Leos have always been a strong influence in our District 4-A1. After my year as Governor (2021-22), I asked DG Doug Campbell (2022-23) to let me be his District Leo Advisor. I saw that many of our Leos and Leo Clubs lacked transition into Lion Clubs, as well as District recognition. Many of our Leos did not know they

were sponsored by a Lions Club.

I made myself a 10-year plan. I wanted 7,000 members of our organization under the age of 31 to be reported by my 70th birthday.

My goal in year one (2022-23) was to clean up our roster and remove the Leo clubs that either did not make it through COVID or had long been set aside by the Lions club that sponsored them. In a way, I viewed my job as "Leo Region Chair." I reached out to sponsoring clubs and asked them to begin reporting their Leos, educating their Leos about the club that sponsored them, or consider cancelling the sponsorship of the Leo club if there was no longer viable Lions club support, allowing for better service reporting statistics.

In year two, the goal was to engage the Advisors and secure active advisors for the Leo Clubs. During this year many Leo Club Advisors joined with advisors from other clubs to participate in the USA/Canada Leo Leadership Conference both in Visalia (2022, 12 Leos attended) and in Chicago (2023, 48 Leos and Lions attended). District Leo Clubs' participation in the Tournament of Roses decorating barn (2022-2025), participation in LDUN (Lions Day at the United Nations), expanding participation in Lions International, Youth Camps and Exchange programs were among many other opportunities we have offered to our Alpha and Omega Leos.

For my third year, I applied and received appointment by the International Board of Directors to the Leo Club Advisory Panel. Here, I sit on the Transition Committee and review proposed changes to Board Policy on the Leo

program. With the knowledge attained, I have continued with my 10-year plan to cultivate and establish knowledge about the programs afforded to our youth. My third-year goal was to educate and inform Lions members about these programs - and my appointment proved to educate me. Placement on the Transition Committee opened my eyes to opportunities beyond the Leo programs (Omega/Alpha) and encouraged me to education Leos and Lions beyond District 4-A1 throughout Constitutional Area 1, USA.

Dual Leo and Lion Membership allows our Omega Leos to transition into a Lions Club while still enjoying the security of bonds establish as an Omega. Lions International places very few restrictions on this transition period. In fact, they leave placement of restrictions in the hands of our District Leadership.

Recently it was brought to my attention that District 4-A1 leadership has established the "4-A1 Leo Lion Transition Policy", which allows only 30 days for transition. This policy removes all security and comfort in the transition period. I strongly encourage you to review Dual Leo and Lion Membership.

Additionally, I encourage review of a variety of membership types that are available to Young Lions and how to become a Leo Lion.

By encouraging and securing our young members in the future of our organization, we secure the future of Lions International's influence around the world.

Now in year four of my plan, the goal is to grow beyond Leos and encourage the formation of Leo Lions Clubs to foster and promote growth of our youth into your Lions club.

4-A1 LEO-LION TRANSITION POLICY

The 4-A1 2025-2026 Cabinet has established the Leo Lion Transition Policy to clarify the procedures for making a transition from Leo-to-Leo Lion. Leos can be part of an Alpha (13-18 years) or Omega (18-30 years) Club, or, at any time once turning 18 years may choose to become a Leo Lion. A Leo Lion is a Lion in all regards. The Leo in the Leo Lion name identifies the individual as having been a Leo for at least one year.

We are excited to have two Leo Lion Clubs in our District. A Leo Lion Club must have 10 Leo Lions to Charter such a club.

Thank you to all the Leo Advisors, Lions, and Leos who have helped make this a reality in District 4-A1. The

transition period is to allow a Leo to determine if he/she wishes to remain an Omega Leo or to become a Leo Lion. Whatever choice the individual makes is the right choice for them. Both Leos and Lions serve.

Respectfully,

~ District 4-A1 Cabinet 2025-2026

January couldn't have been busier for the Merced Healthy Leo-Lions (MHLL)! We started off the new year strong by putting together food baskets for local families and people in need. Thirty baskets were filled to the brim with dry goods, shelf-stable food, treats, snacks, and all the necessities. They went out to our Merced County community so everyone could begin the new year with a full stomach. Thank you to our local neighborhood kids and the Buhach Leos for help assembling the baskets!!

The MHLL was invited to North Carolina, D31-I, Mid-Winter Convention to spread the word about Leos. On this service travel trip, we informed District 31-I Lions all about Leo, Leo-Lions, and young Lions furthering the mission of bridging the gap between Lion generations! The MHLL had a wonderful time and wanted to thank D31-I for their hospitality. We cannot wait to see ID Gary Steele again at our [District 4-A1 Convention](#) in April!

Our Club President, Asia Joaquim, got to go and train with Lions across California at RLLI during the 3rd weekend of January. Congratulations to all RLLI graduates and Asia for their hard work and learning. We cannot wait to see what you do with all your new knowledge!

And finally, we are submitting this newsletter entry before our Service Carnival happens on January 31st at Camp McConnell. But we would like to thank everyone who has shown interest and preemptively thank everyone for coming!! We are so excited, and we're sure when this newsletter comes out, we will be very happy with the Service Carnival and everyone's hard work!

MADERA OMEGA LEO CLUB

<https://www.instagram.com/maderaomegas/>

Omegas On the Go Initiative to Combat Diabetes: On December 11th, almost a dozen Omegas showed up to the Madera South High School Football field for an exciting game of soccer with ugly Christmas sweaters. These monthly activities are meant for the community to engage with the Omegas while also serving as motivation to stay active and healthy. This is also an amazing way for our Omegas to bond and connect with prospective Omegas.

Coat Wash: On December 11th, the Omegas hosted a coat wash at the laundromat, which was graciously provided by Lion Gaylen. We washed eight bags of gently-used clothing that were collected from local lost and finds in schools, and later, to be donated to the Children Youth and Transition Center - as well as for our very own Omega Closets. Luckily, we had four Omegas show up and nine Alpha Leos show up as backup. Together we accomplished the amazing feat of washing and drying well over 200 coats from 6:45pm to 8:00pm. To celebrate our victory, we ate pizza and socialized! We love to reward our volunteers with food, especially when they offer their evenings during the week.

Angel Tree: On December 12th, Omega Perla led the collection of Christmas gifts that were generously donated by members of the Madera community. The Christmas gifts were delivered to three locations: Perko's, Madera Movies, and Black Bear Diner, where we had Christmas trees decorated with descriptions of children in need, their ages, and potential gifts they would like. The club had a successful turnout, with over 300 gifts which filled Omega Marcos's dump trailer! The Omega club is proud to encourage the implementation of new projects, as the

Angel Tree Project was proposed by Omega Perla last year and has grown exponentially this year.

December General Club meeting: On December 18th, the Omega Club hosted its annual Christmas Party, along with our December General Meeting. The theme was Ugly Christmas Sweaters, and there were definitely many jolly sweaters everywhere. The event was held at Lion Johnny and Lion Kayla's home. We provided refreshments and pizza! We had outdoor games like musical chairs (but with cups), cup flipping, corn hole, and many more. We had prizes, and overall, we wanted to encourage a laid-back and celebratory energy. This was accomplished, as there were smiles and laughter all around. We all agreed that we were ready for another innovative and productive year as the Omegas!

Joy at Cedar Creek: On December 26th, Omega Elizabeth chaired an event which was proposed in an effort to give back to our local elder community. Cedar Creek is a retirement community. The Omegas know that not all elders have family who live nearby, and we wanted to provide those present with a fun time. We hosted games. It was from 3 - 4 pm. Omegas were dressed in Christmas sweaters.

Rose Bowl Parade: On December 27th, Omega Nelly led eight Omegas as they woke up early at 2am so that they could arrive at Pasadena to help with the decoration of the International Lions Float. The team dedicated time to cutting rose petals for decoration, glued the petals, and were all over the float - helping the site coordinator with anything they could. The team celebrated with lunch and left with memorable experiences. They had the

opportunity to meet other service organizations and observe the construction of many other floats.

~ Jose Rodriguez Vargas

YOSEMITE HIGH SCHOOL LEO CLUB

On January 14th, the Yosemite High Leos hosted their first blood drive. The mobile unit collected 31 units of blood. Donors received candy bars with thank you labels from the Leos. The first-time event was very successful. Thanks to all who donated and saved lives!

MERCED BREAKFAST LIONS

3rd Annual Merced County All Star Football Classic 2026

Sponsored by: Merced Breakfast Lions Club

About the Games: Bob Green, from Chowchilla High School, started a small school All-Star football game in 1986 and was able to grow that game into a major event where many athletes were honored for both their athletic and academic excellence. This game was dropped in 2020, and we decided to bring back local All Star Football Games to the central valley area for the following reasons:

- Provide our student-athletes with an opportunity to showcase their talents after the completion of their regular football seasons. For Senior athletes, an All-Star Game could represent the last time they will ever put on a uniform.
- Promote the arrival of Girls Flag Football as a CIF High School Sport!
- Provide academic scholarships to our local area student-athletes so they are better able to pursue their career choice.

Student Speakers Contest - This year's topic, "Youth Mental Health: Overcoming Barriers To Well-Being" will,

no doubt, prove to provide a really interesting topic; so this will be a meeting you'll want to attend. The Student Speakers Contest's meeting is open to spouses/significant others/guests. The contest will be held Thursday, **February 5** in the Escalon City Council Chambers, as we have done for the past few years. Doors will open at 5:30 pm and CLOSE at 6:30 pm. Following the contest, we will gather at D'Boni's Pizza for dinner. There will be another announcement in the next bulletin.

Christmas On Main Hot Chocolate Booth - Once again, the Escalon Lions Club hosted the Hot Chocolate Booth at the Christmas On Main Evening December 6. Thanks to those who helped with the set-up and take-down. Special Thanks to Lion Mike Powers and wife Yvonne for organizing, buying product, and running the operation. We also give a "Shout Out" to the student volunteers. Without their assistance, we would have had a difficult time handling the Chocolate Booth. And, we were BUSY. We went through gallons and gallons of hot chocolate, cider, and coffee. Plus, we handed out a boatload of cookies. Great job to all who pitched in.

Corned Beef And Cabbage Dinner - Get Ready. Our annual Corned Beef and Cabbage Dinner will be held in the community center on Saturday, **March 14**. Yes, this is a departure from our normal schedule. Call it an experiment in scheduling. In any case, we'll be staffing up and gathering raffle prizes. Lion Brandon Scully has agreed to handle the logistics. Please set the 14th aside so you can help with this major Escalon Lions function. We'll be making out the work assignments schedule soon.

RIPON LIONS

The Ripon Lions will be hosting their largest fundraiser of the year Thursday, **February 19th**. - [FLIER](#)

MODESTO 500 LIONS

Red Kettle Bell Ringing -

Modesto 500 club members PDG Pat Casey-Gillum, Lion Diana Ringer, PP Dennis Miner, and PP Robin Brown rang the bell for the Salvation Army's Red Kettle in front of O'Brien's Market on Dale. Not too chilly - and we think we did pretty well!

Gospel Mission Hannah House Donation -

Modesto 500 helped provide Christmas gifts to some of the moms and their children who stay at Hannah's House, the Modesto Gospel Mission's new facility for women and children.

Red Shield Senior Luncheon -

President Lori spearheaded a senior luncheon at Salvation Army's Red Shield on December 19.

Plenty of delicious food was provided both by Lion Lori and the chef at the Red Shield. The room was beautifully decorated, and the seniors in attendance were very appreciative and grateful for the afternoon. PP Jerry and PP Robin helped serve as well!

District 4-A1 Hunger Challenge - Met! -

Modesto 500 participated in the District's Hunger challenge January 3-11. Lion Lori dropped off much-needed food at Our Lady of Fatima Church for the St. Vincent de Paul's food bank to help low-income, food-insecure families in the Modesto area.

California Lions Foundation "Go-Bag" Grant Update

JANUARY 14 - Our first meeting was held to discuss the outline for this pilot project. In attendance was Nina Machado and Tassie Earnest (pictured) from First 5 Amador, Diana Haley from Amador County Public Health, and Nancy Champlin from Sutter Creek Lions.

As a recap, we discussed having the child's bag (supplied by First 5) as well as another bag for the adults. Items for the "family" bag would include the Public Health list of items to consider for an emergency, booklets, fire blanket, etc.

Items for consideration for the children's bags included flashlights, blankets, battery-operated radios, color books/crayons, dental kit, small activities items, a book on calming, etc.

JANUARY 23 - A second meeting was held with Nina Machado and Sutter Creek Lions members Nancy Champlin and Jean Pinotti. At this time, donated materials have been received from the Amador Fire Protection District, Amador County Public Health, Amador County Sheriff's Office, Anne Lintz-State Farm Insurance Agent, and illustrator Barbara Alexander and local author Susan Ross. The Amador Fire Safe Council also wants to participate and donate backpacks for the adults. Once all donated items have been received, it will be decided how to best use the grant money to complete the project.

We are still discussing the best way to distribute the bags and at what locations.

What goes up, must come down!

We joined other community members in taking down the Christmas decorations [on the morning of January 14th. It was] a cool, but beautiful, morning in downtown Sutter Creek. Thank you! ~ From Nancy Champlin

TRACY TANK TOWN LIONS

Tracy Tank Town Lions members attended the January District Meeting. VP Lilia, Secretary Rose, and Director Max proudly accepted the Helen Keller Challenge 2.0 Certificate of Recognition and Banner Patch.

While in Puerto Vallarta, President Debbi connected with the women's Club de Leones Puerto Vallarta Centro. Meals were served in front of the hospital where patients' families waited outside and camped while their loved ones were being treated.

For the Hunger Initiative, our club collected cans of pork and beans, as well as hot dogs. On the first Tuesday of each month, people are fed at a Tracy park. We are making final plans for our Corned Beef and Cabbage Dinner on **March 15th**. (See [FLIER](#)) And the winning ticket for the Beach House drawing will be pulled at the dinner. Ceres Lions Club, California's Post

December 19th our Lions members cooked for a 3 day wrestling tournament that was held at Ceres High School.
 Friday we cooked and sliced tri tip.
 Saturday our crew fired up the flat grill and woks at 5am to have breakfast burritos to the event at 7am. Took a breather and fired up the barbecue to cook tri tips. Had them sliced and delivered by 11.
 Sunday we were back at it at 5am to get the breakfast burritos going again.
 Wrestling is a big part of our community. A big shout out to all the people that help organize and put on these events. The coaches and the parents that travel all over and spend alot of their weekends helping these kids to compete.
 It's a great day to be a Lion!
