A Message from Your District Governor

Dear Lions, Leos, and Friends,

Welcome to a new Lions year! It is an honor and privilege to serve as your District Governor; and I look forward to working alongside each of you as we continue our tradition of service, compassion, and leadership. Together, we have the opportunity to make a lasting difference in our communities. Whether through longstanding projects or new initiatives, every act of service strengthens our mission and reflects the heart of Lionism.

I encourage each of you to embrace the year ahead with enthusiasm, invite others to join us in serving, and celebrate the friendships that makes our organization so special. By working together, we can accomplish great things and leave a positive impact on those who need us most.

Our first District 4-A1 get together is our installation of our new cabinet officers on **July 18th** at Linden Lions Club 5041 N. Market St. Linden, CA 95236. The theme for the event is "Commemorating 250 Years of our Nation's Independence."

Libations begin at 6:00 PM, followed by a full sit-down dinner prepared by the cooks from the Linden Lions Club at 7:00 PM. The evening's menu includes Genova bread, salad, barrel BBQ'd ribs, pasta with pesto, vegetable, wine on the table, and dessert - all for \$45.00 per person! See [FLIER](#).

Make your reservations with Lion 1st VDG Mike Bohl, (916) 764-7363 or email Lionbigmike@gmail.com. We can't wait to see you!! We are also making plans for our next District Meeting on **September 19th** at Merle L. Fuller School in Chowchilla. [FLIER](#) – [LINK](#) - Details to follow.

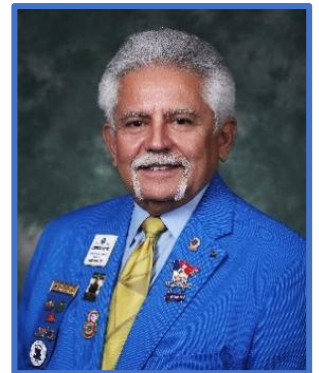

Thank you for your dedication and commitment. I look forward to sharing a wonderful year of service with all of you.

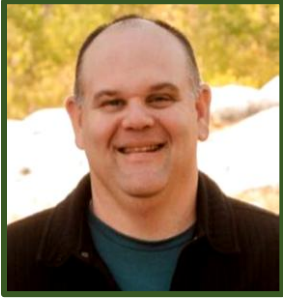

Yours in Lionism,

Steve Moore

District Governor

"Solidarity Through Service"

Message from IPDG MATT STICKLER

A FINAL MESSAGE
FROM DISTRICT GOVERNOR MATTHEW STICKLER
Lions District 4-A1 | 2025–2026

Dear Lions, Leos, and friends of District 4-A1,
As my year as District Governor comes to an end, I have struggled to find the right words for this final message. How do you put an entire year into a letter? How do you adequately thank the people who stood beside you, encouraged you, challenged you, welcomed you into their clubs, and trusted you to lead? The truth is, I do not believe words will ever fully express what this year—and all of you—have meant to me. Serving as your District Governor has been one of the greatest honors of my life. It has also been one of the most humbling experiences I have ever had. This year brought moments of celebration and moments of difficulty. There were successes that filled me with pride and challenges that caused me to reflect deeply on leadership, service, and responsibility. Through all of it, I was reminded again and again that Lions is not about a title, a position, a pin, or a place at the head table. Lions is about people. It is about the Lion who arrives early to set up chairs and stays late to clean up. It is about the club secretary who quietly keeps everything moving, the treasurer who carefully watches every dollar, and the club president who keeps encouraging members even when the road becomes difficult. It is about the Lion who notices when someone has not attended a meeting and takes the time to call. It is about the member who welcomes a guest, mentors a new Lion, serves a meal, comforts a family, supports a child, or steps forward when their community is hurting. Those moments may never appear in a district report, but they are the true measure of who we are. During this year, Maggie and I had the privilege of traveling throughout our eight counties and visiting many of our clubs. Everywhere we went, we found people who cared deeply about their communities and about one another. You welcomed us into your meetings, your celebrations, your service projects, and your traditions. You shared your successes with us, but you also trusted us enough to share your struggles. Those conversations mattered to me more than you may ever know. I will remember the laughter around dinner tables, the stories of Lions who came before us, the pride members showed when talking about their projects, and the quiet determination of clubs working hard to continue serving. I will also remember the difficult conversations. Leadership sometimes requires decisions that not everyone agrees with. There were times when I had to listen to different sides, weigh competing concerns, and make the best decision I could with the information available. I know I did not always get everything right. No leader does. But I hope you always knew that I cared.

I hope you knew that I listened.

I hope that even when we disagreed, you felt respected.

One question has guided me throughout this journey: Did I leave people respected, even when I had to rule against them? That question will remain with me long after this year ends.

I have always believed that when the team wins, we all win. When the team struggles, the leader must accept responsibility, look honestly at what went wrong, and ask what could have been done differently.

Whatever we accomplished this year was not mine alone. It belonged to every Lion who showed up, every officer who carried responsibility, every committee chair who accepted an assignment, and every member who continued serving even when no one was watching.

To our Cabinet members, region and zone chairs, committee chairs, club presidents, secretaries, treasurers, and district leaders: thank you for answering the calls, attending the meetings, solving problems, and giving your time to this district.

There were long days, difficult conversations, last-minute changes, and moments when the work seemed overwhelming. Yet you continued to serve. I will always be grateful for your commitment.

To every club in District 4-A1: thank you for allowing me to be part of your story. Our clubs are different in size, history, traditions, and personality, but each one has something valuable to offer. Each club matters, and every Lion has a place in the future of this district.

Our greatest challenge remains membership, but membership is about much more than numbers.

It is about belonging.

People stay where they feel valued. They stay where they are given meaningful work, where their ideas are welcomed, and where someone notices when they are missing. Growing our district will require us not only to invite people into Lions, but also to make room for them once they arrive.

Every new Lion brings a new story, a new idea, and another pair of hands ready to serve. When we welcome new members and help them become leaders, we are not simply growing a club, we are expanding our ability to change lives.

To the Lions who encouraged me personally during this year, thank you. There were times when a kind word, a phone call, or a quiet conversation came at exactly the moment I needed it. Some of you may never know how much those moments helped me keep moving forward.

To Maggie, Glenn, and Kinsey: thank you for sharing this journey with me.

Public service and Lions leadership often ask more from a family than people see. There were meetings, phone calls, miles on the road, evenings away from home, and responsibilities that did not end when the event was over.

Maggie, you were not merely beside me during this year—you were part of everything that made it possible. Your patience, strength, honesty, and love carried me through more moments than I can count.

Glenn and Kinsey, thank you for understanding that your dad had made a promise to serve. I know that promise sometimes required sacrifices from you as well.

I did not serve this year alone. My family carried this office with me, and I will always be grateful.

To our incoming District Governor and the leaders who will serve in the coming year, I offer my friendship, encouragement, and full support.

Leadership is not something we own. It is something entrusted to us for a season.

We carry it for a while, protect it, learn from it, and then place it into the hands of the next leaders. We should do so - not with bitterness or regret, but with hope.

I believe deeply in the future of District 4-A1.

I believe in our clubs.

I believe in the Lions who continue to serve when the work is difficult.

I believe in the leaders who have not yet discovered that they are leaders.

And I believe our best days are still ahead of us—if we are willing to listen to one another, welcome new people, strengthen our clubs, and remember that service is the reason we are here.

The state of our district is not simply found in where we stand today. It is found in what we are willing to build together tomorrow.

As I leave this office, I do so with a heart full of gratitude. I am grateful for the trust you placed in me, for the lessons you taught me, and for the opportunity to serve alongside you.

I hope that in some small way I helped make our district stronger.

I hope I encouraged someone to keep going.

I hope I helped a club believe in its future.

Most of all, I hope I served you with honesty, fairness, and respect.

Thank you for allowing me to be your District Governor. Thank you for your friendship, your service, and your faith in what Lions can accomplish.

This year will remain with me for the rest of my life.

I did not serve this year alone. Together, we carried the work forward. Now, with gratitude, humility, and confidence in those who follow, I place it into the hands of the next Lions who will carry it forward.

Lead to serve, and serve to lead.

With heartfelt gratitude and yours in Lionism,

Matthew H. Stickler

Our community and our planet thank you! With your help we have kept another 2000 pounds of plastic out of the landfills since September 1, 2025! A reminder that "Bags for Benches" collections are paused during July and August and resume for Round 10 September 1. Thank you to everyone who attended the Round 9 Fong Park Bench dedication in March; we still have a few dedications in the queue, although we are no longer

guaranteed a bench for 1000 pounds recycled during a year since Trex has gone to a lottery system beginning in January 2026.

Stay tuned for our Bench dedication in collaboration with the Tokay High School Leo Club, our Rededication of the Helen Keller Centennial Bench at the Maya Angelou Library (thanks to the generous donation of a bench by PCC Claudia Miller), and a memorial bench dedicated to our dearly departed member Lion Carol Hadley at the City of Stockton's new Hadley Park!

PASSING OF MD4-A1 PDG DAN AGARI

Passing of PDG Dan Agari
District 4-A1, DG 1997-1998

It is with deep sadness that we announce the passing of Past District Governor Dan Agari of Lions District 4-A1.

Dan was a dedicated Lion whose heart for service, leadership, and community touched countless lives throughout our district and beyond. Dan served as District Governor of 4-A1 from 1997 to 1998. A celebration of life will be scheduled for late July or August. Please join us in keeping Dan's family, friends, and fellow Lions in your thoughts and prayers during this difficult time. 💙💛 Well done, good and faithful servant.

INFORMATION WHEN A PDG or PCC PASSES

This is information for current and future passing of PDG, DG, PCC from our district.

4-A1 collects the information: name, passing, brief info about services (Legacy usually has the best information for the obituary - you need to search). You obtain a picture - obituary often has it; if not, any nice picture (headshot) works. You send this to MD4 Council Secretary. For other Lions in our district passing, the same information is sent to the Cabinet Secretary, the DG, and the Newsletter Editor. Put this information where you can find it. Contact information for MD4 is on their website. It is best to have a point person and a backup to the point person send it to the MD4 Council Secretary and the 4-A1 Cabinet Secretary.

MD4 puts together a Celebration of Life for PDG, PCC, PID, etc., but not for general Lions.

4-A1 puts together a Celebration of Life for all Lions in the District which is held at Convention - usually on Sunday.

Hope this helps. ~ Claudia Miller, PCC

MOKELUMNE HILL LIONS

On June 6th, the Mokelumne Hill Lions Club hosted 'Fun Day' for the elementary school students who were ending their school year. A great crew of Lions served 170 meals and provided games to all the kids that marched up to the ball field from the school...and met our new Lion mascot!

Terry Weatherby presented our scholarships to Martin and Alyssa on Wednesday, May 27th for service to the community through the Mokelumne Hill Lions Club.

~ Mik Maguire

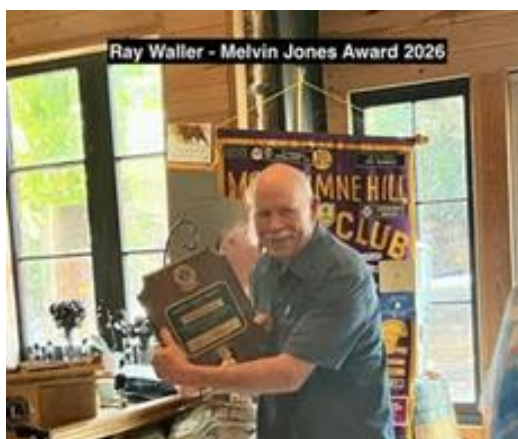

President Amanda, from the Bret Harte Football Boosters, came to speak to the members about the Bret Harte Football Program and their Summer Camps. Our Lions Club graciously donated \$2000 to the program.

Mokelumne Hill Lions Club had a lovely induction dinner and had our “changing of the guards”. Our new Officers are excited to start the new year!

David LeGrande has been named Lion of the Year—an honor that is truly well deserved. David is an integral part of our community, serving on several local committees and consistently giving his time and energy to make a difference. He single-handedly turned our Health Fair into not only a success, but a signature annual event we are incredibly proud of. Beyond that, he umpires Little League, substitute teaches at the grammar school, and has played a key role in building a new dog park and community garden, as well as improving the ballpark—just to name a few of his contributions. David is a tremendous asset to both our Lions Club and our town.

Ray Waller received the Melvin Jones Award this year, and we couldn't have chosen a more deserving recipient. Ray has worked tirelessly—often behind the scenes—to guide our club and keep us moving in the right direction. He leads with a level head, a calm demeanor, and the strength of character that defines him. Whether he holds the title or not, he has consistently been our leader. When you have a question or need advice, Ray is the person everyone turns to.

Longtime Lion Bob Leitzell, a thoughtful, kind, and helpful man who gave so much to his community and the Lions Club, recently passed away and will be deeply missed. We extend our heartfelt condolences to his wife, Paula, and to their children and grandchildren. Bob joined the Lions in 1952 while working as a civil engineer in Juneau, Alaska. After that work ended in 1955, he moved to San Anselmo, California, and rejoined Lions in 1965. He remained an active Lion until 1980, when he and his family moved to Calaveras County. In 1986, he joined the Mokelumne Hill Lions Club, where he continued his remarkable legacy of service. Over the course of 58 years as a Lion, Bob volunteered for nearly everything he was asked to do, leaving a lasting impact on all who knew him and served alongside him.

LINDEN LIONS

Dear Lions,

It is with deep sadness that I inform you that Past President Paul Wagner has passed away. No services are planned at this time as his wife Jan is recovering from a knee and hip surgery of her own. A celebration of life will be planned for later in the year. Paul held many board positions, including serving as president and secretary. Paul collected eyeglasses and pull tabs for the district and went on many eyeglass missions to Mexico and other countries in Central America, delivering eyeglasses to people who needed them. For his efforts, Paul has been recognized as Lion of the Year by the district and as a Melvin Jones Fellow by the club. Paul was a great example of the Lions' motto "We Serve".

Yours in Lionism,
Bob Arrigone Jr

Past District Governors Night 5/26/26 —a Tribute to them. June 9, 2026 – [The program began with the] introduction of AllStar representatives, Linden Lions' scholarship recipients, and 2026 Linden Cherry Festival Queen.

President Albert Dondero introduced Hunter and Andrew — representatives from the All-Star North team. Each was given an opportunity to introduce family and friends and share their future goals.

Next to be introduced were the Linden Lions Scholarship recipients for 2026. President Albert had the honor to first introduce the \$500.00 winners. Left: President Albert Dondero and Dayana. Right: President Albert Dondero and Merisol.

UPCOUNTRY 88 LIONS

At Amador High School Gymnasium on May 19th, Chloe received the Joe Bonini Memorial Scholarship. Sophia received the Lion Ed Shaver Memorial Scholarship. Both were \$800 scholarships. Lions Frank and Gail did the presentation. The power went out during the LONG event!

The 2026-2027 Installation of Officers/Board and BBQ/Potluck was held on June 17, 2026 at Pine Grove Mobile Home Estates' Clubhouse.

Installing Officer was Past Council Chair Don Gall from Pioneer.

PCC Don also did our Club Officers' Installation at the 40th anniversary of our club on 6/5/2019. PCC Don's wife, Lion Susan also attended. Theme was "tropical."

We had a great time on June 23rd at Gold Country Lanes at in Sutter Creek for our recurring "Fun Bowling Night". Members of our Community Partners from [Pine Grove Civic Improvement Club](#) (PGCIC) also join us. It's also a way to get more involved in the area's bowling scene for another, possible fundraiser there. In the above photo, our Charter Member Larry, is with Darla, Secretary of PGCIC.

LATHROP LIONS

Here is how Lathrop Lions spent Memorial Day. We handed out donuts to the wonderful Lathrop community and their Veterans. Lathrop Parks and Recreation put on a wonderful ceremony at the Veterans Memorial Wall. Thank you to all our Veterans for the sacrifice you made for us!

On June 19, 2026, Lathrop Lions had the pleasure of providing a catered Panda Express dinner for the North flag football ladies' team, serving 20 players and their coaching staff following their practice. They were served by Lions Jon Estante, Beth Estante, and Kayla Estante.

The team went on to win their Lions Allstar Flag Football game at Tracy High the following day with an impressive score of 44 to 6. We were well-represented at the game by members Jon Estante (who was the spotter assisting the announcer) and Shanon Barth, who were joined by our guests, Sara Barth and Kennedy Courtney, who did ticket sales. It was a wonderful opportunity to support the athletes, and we were thrilled to see their success on the field!

TRACY TANK TOWN LIONS

June 20, 2026 was the 50th Annual All-Star Football Game at Wayne Schneider Football Stadium at Tracy High School. This was the first time the Girls Flag Football Team was included in the games. During the week before the big game, the Girls Flag Football Team held their daily practice at Kimball High School. Tracy Tank Town Lions provided three of the five after-game meals. The girls were very appreciative.

PATTERSON LIONS

June was a quieter month for our club. We spent time recovering from our annual Apricot Fiesta Chicken BBQ fundraiser at the end of May. We cooked and sold 500 BBQ chicken halves and raised money that lets us do what we do for Patterson. Thank you to everyone who helped and bought a dinner.

At our June 10 meeting, DG Matt and his family were our guests. He talked about the District, and presented Lion Shawn with the International President's Award for everything he has done for the club and district. On June 15, the club served pulled pork and mac and cheese to the South's boys and girls teams as they practiced for the annual Lions All Star Football game. The kids enjoyed it so much, many came back for 2nd and 3rd helpings. Thank you, Lion Chris and team.

The Patterson Lions have been a longtime supporter of Invest In Me, a local nonprofit that focuses on youth in our area. We were happy to be a sponsor of their recent Men's Empowerment Luncheon on June 20, and our very own Lion Shawn was one of the panelists this year.

And finally, on June 24, we inducted our new officers and board, including Lion President Richard. And a big "thank you" goes to the outgoing officers and board for a great 2025-2026 Lion year.
